

If you are a provider working with clients facing new needs related to the COVID-19 pandemic, please contact  
**The YOU, Inc. Worcester Family Resource Center**  
**508-796-1411**

Monday to Friday from 8:30am to 4:30pm.

Staff at the Family Resource Center are able to answer questions and provide connection to community resources for a variety of needs including:

- Food, clothing, and household goods, including referrals for delivery
- Housing
- Employment, unemployment, and job search
- School support
- Financial assistance and benefit applications
- Transportation
- Legal assistance
- Health, mental health, and substance use/recovery supports
- Childcare and parent/child activities

The FRC is able to answer questions from callers of any age or family status and to offer ongoing case management to families who may need additional support navigating resources.

Additionally, several of our ongoing programs continue to accept referrals.

Please call us for more information:

- Assessment and support services for families of children at risk of juvenile court involvement due to truancy, behavioral concerns, or running away
- Parent education and support groups
- Teen activities including our Arts and Music Police Partnership (AMPP) Program and summer DBT Skills group
- Mental Health Advocacy Program for Kids providing legal assistance to parents of children with unmet mental health needs. For this service, call 617-275-2919.
