Candidate's Check List

- Be certain you are a registered voter in the district from which you plan to run.
- Check the deadline for filing nomination papers for the office you seek in the calendar on page 6 and in the special section "Nomination Papers" on page 10.
- Review the election calendar on pages 6 and 7. Note the days and dates carefully; consider holidays.
- Obtain white nomination papers to run in the primary, or yellow, or beige to run as a non-party candidate in the election. **Fill in the top portion (gray areas) of nomination papers carefully with name and address (including street number and street name and city or town), office, district, party or political designation, etc., BEFORE** you circulate the papers. Any nomination paper filed without this information will not be counted.
- Be sure to sign the written acceptance line on a number of your nomination papers. For primary papers, fill in your statement of public offices you hold or have held if you wish to do so.
- Don't miss the deadline date for submitting nomination papers to local election officials for certification. The deadlines for candidates for federal and statewide office are later than those for candidates for other offices; check both sets of deadline dates carefully. Try to get papers to local election officials earlier than the deadline if possible.
- Submit more than the required number of signatures to your local election officials for certification. If many signatures are challenged or disallowed, you may fall short of the required number. Be sure the signatures are from the proper district and party, with the name and address properly filled in.
- If you have fewer than 10% above the number of signatures required for the office you seek, you may consider requesting a review by local election officials of signatures not certified.
- Pick up the certified papers from the local election officials and don't miss the deadline for filing with the Secretary of the Commonwealth.
- Be sure to file at least one paper with your certificate of enrollment or certificate of voter registration signed by at least three of your local election officials.
- Be sure to file the receipt from the State Ethics Commission (except candidates for federal office).
- Statewide candidates must file a receipt from the Office of Campaign and Political Finance.

Don't just stand there....

Signature Check List

- Get signatures from ONE city or town ONLY on each nomination paper. Make certain that signers can vote for the candidate. Signatures from another city or town or across district lines will not be counted. District boundaries may be checked on the list of districts available from the Secretary of the Commonwealth.
- All signatures must be legible and written substantially as registered. The law allows a voter to insert or omit a middle name or initial and still have the signature deemed valid. Do not use nicknames or initials in place of full names. Married women should sign "Helen Smith" not "Mrs. John Smith." It is wise to have a list of registered voters or a street listing with you to verify the exact form of registration. City and town clerks are required by law to make one copy of these available free to candidates. The law provides, that if the registrars can determine the identity of the voter from the form of the signature, the signature must be certified.
- Nominating petitions require the voter's present address. Signers must use street addresses, not mailing addresses such as post office box numbers.
- If a voter signs incorrectly or makes any error, do not erase or make changes. Leave the incorrect line intact and ask the voter to sign again on the next line. An altered or illegible signature may be disallowed or challenged.
- To be certified on primary nomination papers, signers must be members of the candidate's party or not enrolled in any party.
- Be sure to collect and submit more signatures than the required number because many may be disqualified.
- Don't miss the deadline date for submitting nomination papers to local election officials for certification. The deadlines for candidates for federal office are later than those for candidates for other offices; check both sets of deadline dates carefully. Try to get papers to local registrars earlier than the deadline if possible.
- Submit more than the required number of signatures to your local election officials for certification. If many signatures are challenged or disallowed, you may fall short of the required number. Be sure the signatures are from the proper district and party, with the name and address properly filled in.
- If you have fewer than 10% above the number of signatures required for the office you seek, you may consider requesting a review by local registrars of signatures not certified.

Statements of Financial Interest

The Financial Disclosure Law requires every candidate for public office to file a Statement of Financial Interests (“SFI”) for the prior calendar year with the State Ethics Commission. For SFI purposes, a “public office” is a position for which a person is nominated at a state primary or chosen at a state election. Candidates for the district and county offices are required to file an SFI.

Candidates for federal office, such as Senator in Congress or Representative in Congress, are not required to file an SFI.

Candidates for public office must file an SFI with the State Ethics Commission on or prior to the deadline for filing certified nomination papers with the Secretary of the Commonwealth’s Office and thereafter must also file the receipt from the Commission as proof of the SFI filing.

An SFI can be filed electronically or manually. Questions regarding the filing of an SFI should be directed to the State Ethics Commission:

Definitions

Certificate of Voter Registration

A certificate issued by the local election officials of a non-party candidate's city or town, which certifies that the candidate is a registered voter at his or her current address, and that the candidate has not been a member of a political party throughout the ninety days prior to the filing deadline with the Secretary of the Commonwealth.

Congress

A term used to describe the United States Senate and the House of Representatives, collectively. This term is sometimes used to refer specifically to the House of Representatives.

County Office

A public office elected by the registered voters in one of the fourteen counties in Massachusetts. County offices include sheriff, clerk of courts and county commissioners.

District Office

A public office elected by the registered voters in a particular district of the state. Districts may include more than one municipality or part of a municipality. District offices include Governor's Councilors, State Senators, State Representatives, District Attorneys and Registers of Deeds.

Enrollment Certificate

A certificate issued by the local election officials of a party candidate's city or town, which certifies that the candidate is a registered voter at his or her current address, and that the candidate meets the party enrollment requirements for the office he or she seeks.

Ethics Receipt

A receipt given to the candidate by the State Ethics Commission upon submission of the candidate's Statement of Financial Interest. Ethics receipts must be submitted to the Secretary of the Commonwealth by the filing deadline in order for a candidate to qualify for ballot access. Federal candidates are exempt from this requirement.

Federal Office

A public office elected by the registered voters of a state or district to represent the voters in the United States government. Federal offices include Senator in Congress and Representative in Congress.

General Court

The official name of the Massachusetts state legislature. Members of the Massachusetts House of Representatives are referred to as Representatives in General Court, while members of the Massachusetts Senate are Senators in General Court.

Local Election Officials

The Board of Registrars or Board of Election Commissioners in each city or town. In most towns, the office of the local election official is the town clerk's office.

Nomination Paper

An official document which must be circulated for the signatures of registered voters and thereafter be properly filed before a candidate's name may be printed on the ballot.

Review Procedures for Signatures Not Certified

Local election officials must complete certification of nomination papers seven days before the deadline for filing with the Secretary of the Commonwealth. If the total number of signatures certified by the local election officials is less than 10% in excess of the number required for the office that the candidate seeks, the candidate may request a review by the local election officials of signatures not certified. The request for review must be submitted to the local election officials no later than 48 hours after their deadline for certifying your papers. A list of those signatures must be presented to the local election officials, who must complete their review no later than 24 hours before the filing deadline with the Secretary of the Commonwealth (see calendar).

Objections

Challenges

A candidate's nomination may be challenged by a registered voter of the district within three days following the date for filing nomination papers with the Secretary of the Commonwealth. Written objections to nominations are filed with the State Ballot Law Commission at the Secretary of the Commonwealth's Elections Division. For details see "Objections Before the State Ballot Law Commission," a publication available from the Elections Division or The State Bookstore.

Reasons for Challenge

There are many reasons for a challenge. Past challenges have included: forged signatures, candidate does not meet legal requirements, signers not registered voters.

Hearing

When an objection is filed, the candidate receives notice in writing that a hearing will be held before the State Ballot Law Commission. It is advisable to have a lawyer present since the hearing often involves technical requirements. The Elections Division can provide further information about the procedure.

Penalties

Penalties

The law provides for a penalty of not more than \$50 for subscribing falsely to a statement on a primary nomination paper. The act of falsely or willfully altering the designation of the district after signatures have been certified, or for falsely making or willfully altering, defacing, mutilating, destroying, suppressing or unlawfully signing, or filing a nomination paper is punishable by a fine of not more than \$1000 or imprisonment for not more than one year.

Signatures on Nomination Papers

Procedures

The procedures described below are essentially the same for both types of papers. To be certified, all signatures on nomination papers must be legible and signed in person with the name substantially as registered, with the address at which the voter is registered. Signers must use street addresses, and not mailing addresses such as post office box numbers.

How Voter's Name Should Be Written

The law directs local election officials to certify the signature if they can reasonably determine the identity of the voter from the form of the signature. The law allows a voter to insert or omit a middle name or initial. A married woman should sign "Helen Smith" not "Mrs. John Smith." Do not use nicknames or initials in place of given names. To avoid legal objections it is wise to consult a voting list if available and sign as registered. Voters who are unsure of the way they are registered may sign in different ways on consecutive lines (with addresses each time) and the local election official will then certify only the valid name.

Voter Must Sign for Self

Persons who are prevented from signing by physical disability may authorize another individual to sign for them in the voter's presence.

No person may sign for another unless the voter is physically disabled as above. One spouse may not sign for another.

Count How Many Signed

A voter may sign once for each candidate for an office. If a voter signs more than once for the same candidate, that voter's name will be certified only once. Additional signatures will be disallowed. **Voters may sign for as many different candidates as they wish, even for the same office.**

Another Municipality Another Paper

Each nomination paper should contain signatures of registered voters from only ONE city or town. At least three of the local election officials of the city or town where the signers are registered voters may certify that each signature is that of a registered voter in their jurisdiction. Names from other communities on that sheet will be disallowed. If a candidate is running for an office in a district that crosses city or town lines, separate nomination papers should be circulated and submitted to each community.

Collect Extra Signatures

Candidates should collect more signatures than required because many may be disallowed either in the certification process or through challenges. Local election officials are required by law to certify up to two-fifths more than the number of signatures required.

Non-Party Candidate

A candidate for public office who is not enrolled in any recognized political party in Massachusetts and who files nomination papers to appear directly on the November general election ballot. Non-party candidates may be unenrolled – commonly referred to as "independent" – or they may be registered with a political designation and may be referred to as "minor party" candidates. Non-party candidates must not have been enrolled in any political party throughout the ninety days prior to the first filing deadline with the Secretary of the Commonwealth.

Party Candidate

A candidate for public office who is enrolled in a recognized political party in Massachusetts. Party candidates must have been enrolled in the party whose nomination they seek throughout the ninety days prior to the filing deadline with the Secretary of the Commonwealth. Party candidates must not have been enrolled in any other party for one year prior to the same filing deadline. Currently there are two recognized political parties in Massachusetts: Democratic and Republican.

Political Designation

Sometimes referred to as a "minor party," political designations do not hold primaries. At least 50 registered voters must petition to form a political designation. The phrase "political designation" may also refer to the designation of not more than three words by which a non-party candidate may choose to appear next to his or her name on the ballot.

State Election

A general election, in which registered voters choose people to fill public offices and vote on ballot questions, where applicable.

State Primary

An election in which registered voters nominate party candidates: Democratic and Republican. The names of the winners of the party primaries are placed upon the November general election ballot.

Statement of Public Office

A statement that may appear on state primary ballots beside a candidate's name, which lists public offices that the candidate holds or has held, but may be no longer than eight words. See page 12 for more information on statements of public office.

Statewide Office

A public office filled by a vote of the registered voters of the entire Commonwealth. Statewide offices include Governor, Lieutenant Governor, Attorney General, Secretary of the Commonwealth, Treasurer, Auditor, and Senator in Congress.

Unenrolled

A registered voter who is not enrolled in any political party or political designation is an unenrolled voter. Such voters are commonly referred to as "Independents." An unenrolled voter may qualify to have his or her name printed on the ballot only as a non-party candidate.

Written Acceptance

The signature of the candidate or an attorney authorized in writing by the candidate, which signifies the candidate's acceptance of the nomination.

The state election papers may be signed by any registered voter.

How to Run as a Non-Party Candidate in the Election

Non-Party Candidates

Candidates who are not enrolled in any political party (sometimes referred to as unenrolled, independent, minor-party candidates or political designation) must also circulate nomination papers. These papers will put candidates' names directly on the state election ballot in November. These candidates do not run in the state primaries. Nomination papers are either yellow or beige depending on the office sought.

Must be Unenrolled

Non-party candidates cannot be enrolled in any political party in order to qualify to have their name printed directly on the general election ballot. Furthermore, non-party candidates for the state election cannot have been enrolled in a political party between **March 1, 2022** (if they are a candidate for district or county office) or **March 8, 2022** (if they are a candidate for federal or statewide office) **and the deadline for filing nomination papers with the Secretary of the Commonwealth.**

Certificate of Voter Registration

Non-party candidates must file a certificate proving that they are a registered voter and have not been enrolled in a political party during the proper period before the deadline for filing nomination papers with the Secretary of the Commonwealth (see section above). At least one of these certificates of registration, which are printed on the nomination papers, must be signed or stamped by at least three local election officials of the city or town where the candidate is a registered voter and filed no later than the last day for filing nomination papers. No non-party candidate's name may appear on the general election ballot without this voter registration certificate.

Fill in Required Information

The proper title of the office, district name, residence* of the candidate and political designation (if any) must be printed or typed, correctly spelled and in the proper place (gray areas) on each nomination paper, BEFORE signatures are solicited. Any nomination paper filed without all this information will not be counted.

Designation

Non-party candidates may state their political designation in no more than three words. Non-party candidates may NOT use the words "Democratic" or "Republican" as part of their designation on the nomination papers. If a non-party candidate places no political designation on their papers, the designation "unenrolled" will appear on the ballot. The political designation appearing on the papers must be consistent on all papers. If some papers contain a different political designation than others, the certified signatures will be counted separately.

On to the State Election

Winners of the party primaries will be the party candidates in the election.

How to Run in a Party Primary

Enrollment requirements

Party candidates for nomination in state primaries must be enrolled members of the party whose nomination they seek and, except for newly registered voters, must be enrolled members of the party throughout the 90 days before the deadline for filing nomination papers with the Secretary of the Commonwealth. In addition, no person may be a candidate for nomination by one party if that person was enrolled in any other party during the one year period preceding the filing date for this election.

Certificate of Enrollment

Party candidates must PROVE party affiliation by filing with the Secretary of the Commonwealth a certificate of party enrollment signed or stamped by at least three local election officials of the city or town where the candidate is a registered voter. At least one such certificate, which is printed on the nomination papers, must be completed and filed no later than the last day for filing nomination papers with the Secretary of the Commonwealth. No candidate's name may appear on a primary ballot without this certificate of enrollment.

Primary Nomination Papers

Primary nomination papers will place a party candidate's name on the Democratic or Republican primary ballot. These papers are white in color.

Name on Ballot Once

Party candidates may not have their name printed on a state primary ballot for nomination for more than one office. They may circulate and file nomination papers to more than one office, but if they do not withdraw from all but one office by the deadline date for withdrawals, that party candidate's name will not be printed on the ballot at all for any office.

Fill in Required Information

The proper title of the office, district name, name and residence* of the candidate and political party affiliation must be printed or typed, correctly spelled and in the proper place (gray areas) on the front of each nomination paper BEFORE signatures are solicited. Any nomination paper filed without all this information will not be counted.

Statement of Public Office

There is space on the nomination paper where a party candidate may make a statement in not more than eight words listing public offices** they hold or previously held. If the candidate no longer holds the office, the word "former" must be used. If the candidate is now an elected incumbent seeking the same nomination, they may include the phrase "candidate for re-nomination." The word "veteran" may be used if the candidate is a veteran as defined in section 1 of chapter 31 of the General Laws.

*Residence must include the candidate's street number and street name and the city or town or some clearly identifiable reference to the city or town. To avoid confusion, this Office recommends using the full name of the city or town.

**Not every government employee holds a "public office." Holders of public office must have entrusted to them in some degree the exercise of the power and authority of government. The duties must not be merely clerical, but must involve the exercise of some significant discretion or judgment. The position must not be merely advisory or a political party position. The position must be one which is established by law. A political party position is not a "public office."

Getting On The Ballot

Candidates gain access to the November 8, 2022 general election ballot in one of the following two ways:

- A candidate who is a member of a party may be nominated in the state primary; OR
- A non-party candidate may run in the state election only.

To have their name printed on a state primary ballot, a party candidate must submit nomination papers. Similarly, a non-party candidate must submit nomination papers to qualify to have their name printed on the state election ballot.

Please be aware that a candidate may only qualify in one of the above ways. A candidate must fulfill specific enrollment requirements when running for office.

For each office, state law has assigned a minimum number of certified signatures required for ballot access and set specific deadlines for submission and filing of nomination papers. Candidates are responsible for complying with all state laws relative to ballot access.

Nomination Papers

Availability

Nomination papers are available from the Office of the Secretary of the Commonwealth in the Boston, Fall River, and Springfield offices, and may be picked up or requested by telephone or in writing. Nomination papers may also be available in certain city or town halls throughout the Commonwealth. Contact the Elections Division for a full list of locations where nomination papers are available.

Candidates may make exact copies of the official nomination papers for gathering signatures. Papers that have been altered in any way, including papers that are not printed two-sided, will not be accepted.

Nomination papers for party candidates are **white** in color, while nomination papers for non-party candidates are **yellow** or **beige**. Candidates should ensure that they have chosen the correct nomination papers before gathering signatures.

Required Information

The candidate's name, residence, political party or designation, the office for which the candidate is running, and the district in which he or she is running must be placed on the nomination papers **BEFORE** any signatures are gathered. These areas of the nomination papers are highlighted in gray. If any information is missing from the gray areas of the paper, **no voter signatures on these papers can be counted.**

The candidate's residence must include the candidate's street number and street name and some clearly identifiable reference to the city or town. To avoid confusion, this Office recommends using the full name of the city or town in which the candidate resides.

Certified signatures contained on nomination papers missing any of this information cannot be counted.

Time of Filing

All candidates seeking to have their name printed on the ballot, either the state primary ballot or state election ballot, must file nomination papers according to the following schedule.

Nomination papers for party and non-party candidates for district and county office must be submitted to local election officials for certification of names no later than 5 p.m. on May 3, 2022. The papers must then be picked up from the local election officials and filed with the Secretary of the Commonwealth no later than 5 p.m. on May 31, 2022.

Party candidates for federal and statewide offices have one additional week to circulate papers. Nomination papers for party candidates for federal and statewide offices must be submitted to local election officials for certification of names no later than 5 p.m. on May 10, 2022. The papers must then be picked up from the local election officials and filed with the Secretary of the Commonwealth no later than 5 p.m. on June 7, 2022.

Non-party candidates for federal and statewide offices have additional time to circulate papers. Nomination papers for non-party candidates for federal and statewide offices must be submitted to local election officials for certification of names no later than 5 p.m. on August 2, 2022. The papers must then be picked up from the local election officials and filed with the Secretary of the Commonwealth no later than 5 p.m. on August 30, 2022.

File Early

If possible, it is recommended that candidates file early, prior to the deadline for submitting papers to local election officials. This allows time for errors to be identified and for candidates to gather additional signatures, if necessary.

City Hall, 455 Main Street
Worcester, MA 01608

Dear Mr. Mayor and Councilors,

On October 19, 2021, I provided the City Council an update concerning the 2020 redistricting process and the growth Worcester's election operation will have in the 2022 election season. With the 2020 redistricting map, Worcester has 60 precincts for Municipal Elections and 62 precincts in State Elections. State elections will consist of two split precincts Wards 7-5 and 4-2. Voters in 7-5 A will vote in the 6th State Senate district and Voters in 7-5 B will vote in 8th State Senate district. Voters in 4-2 A will vote in the 9th State Senate district and Voters in 4-2 B will vote in 8th State Senate district.

As result of this growth in election operations, the City Clerk's office will need to purchase additional voting equipment, including vote tabulators, Election Ipad's, tables and chairs, voting booths, shelving and storage and a mailer notifying all registered voters of the 2022 Ward and Precinct assignment and new voting locations for 2022.

Enclosed is a detailed memo outlining the FY22 supplemental capital and operational expenditures necessary to deal with this new growth in election operations for 2022.

Cordially,

Nikolin Vangjeli
City Clerk
