

**Public Meeting
Central Massachusetts Metropolitan Planning Organization (CMMPO)
Transportation Planning Process**

You are invited to participate in an evaluation of transportation planning process in the Worcester, Massachusetts region. CMMPO provides transportation planning services for the City of Worcester and 39 surrounding communities in the southern two-thirds of Worcester County.

Every four years, the Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) are required by law to review the metropolitan transportation planning process conducted by the Central Massachusetts MPO and its partners in order to certify that they are carrying out the process in accordance with all applicable Federal requirements.

As part of this review, the Federal agencies would like to hear from members of the public on their views of how the metropolitan transportation planning process is conducted in the Worcester region. The FHWA and FTA are particularly interested in hearing from people who have participated in some aspect of the Central Massachusetts MPO's work.

Please attend the public meeting conducted by the FHWA and FTA, to be held during the regularly scheduled Central Massachusetts MPO meeting:
