RULES OF THE CITY COUNCIL

of the

City of Worcester, Massachusetts

Rule 1. At all meetings of the City Council five (5) Councillors shall constitute a quorum for the transaction of business.

DUTIES AND POWERS OF THE CHAIR

Rule 2. On the first Monday of January, following the regular municipal election, the city council shall, by a majority vote of all the members elected, elect a mayor from its own members who shall preside at all meetings of the city council and perform such other duties as are prescribed in section one hundred (100) of Chapter 43 of the General Laws, and any acts in amendment thereof or supplementary thereto. The City Council shall, in like manner, elect a vice-chairman.

Rule 3. The mayor shall take the chair at the hour to which the city council has adjourned and call the members to order. In the absence of the mayor, the vice-chairman of the city council shall preside and, in the absence of both, a temporary chairman shall be chosen, who shall serve during the absence of both the mayor and vice-chairman.

Rule 4. He shall preserve decorum and order, may speak to points of order, in preference to other members; shall decide all questions of order, subject to an appeal to the city council, regularly seconded; and no other business shall be in order till the question on the appeal shall have been decided. The question shall be put as follows: "Shall the decision of the chair stand as the judgment of the city council?" The vote shall be by roll call, and it shall be decided in the affirmative unless a majority of the votes are to the contrary.

Rule 5. He shall declare all votes. If any member doubts the vote, the chair, without further debate upon the question, shall require the members voting in the affirmative and negative, respectively, to rise and stand until counted, and shall declare the results; but no such declaration shall be made unless a quorum of the city council has voted.

Rule 6. All final votes of the city council on questions involving the expenditure of fifty dollars or more, or upon the request of any member any vote of the city council shall be by yeas and nays and shall be entered on the records.

Rule 7. When an order or resolution relates to a subject which may properly be examined and reported upon by a standing committee of the city council, such order or

resolution shall upon presentation be referred to such committee.

All petitions, remonstrances, memorials, communications or any matter before the City Council may be referred as follows:

Rule 8. The chair shall put all questions in the order in which they are moved, unless the subsequent motion be previous in its nature, except that in naming sums and fixing times, the largest sum and the longest time shall be first put.

After a motion has been put by the chair, it shall not be withdrawn, except by unanimous consent.

Rule 9. When a question is under debate the chair shall receive no motion, but

- To adjourn
- To lay on the table
- For the previous question
- To postpone to a certain day

which several motions shall have precedence in the above order. A motion to strike out the enacting clause of an ordinance shall be equivalent to a motion to postpone indefinitely. Rule 10. The previous question shall be put in the following form: "Shall the main questions be now put?" and all further amendments or debates of the main question shall be suspended until the previous question is decided.

Rule 11. When two or more members rise at once, the chair shall name the member who is entitled to the floor.
