RE: REQUEST FOR INFORMATION

Dear Sir or Madam:

The Assessor is required to assess all property at its full and fair cash value as of January 1, 2023, for Fiscal Year 2024. The collection and analysis of calendar year 2022 rental data of income-producing properties is essential in the development of a fair and equitable valuation of your property and comparable properties. The information requested is for the Assessor's use. It is not a public record (G.L. c. 59, Sec. 52B).

The Assessor's authority to request this information is granted in M.G.L. c. 59, Sec. 38D, which states:

"A board of assessors may request the owner or lessee of any real property to make a written return under oath within sixty days containing such information as may reasonably be required by it to determine the actual fair cash valuation of such property."

Failure of an owner or lessee of real property to comply with such request within 60 days after it has been made by the board of assessors shall be automatic grounds for dismissal of a filing at the appellate tax board. The appellate tax board and the county commissioners shall not grant extensions for the purposes of extending the filing requirements unless the applicant was unable to comply with such request for reasons beyond his control or unless he attempted to comply in good faith. If any owner or lessee of real property in a return made under this section makes any statement which he knows to be false in a material particular, such false statement shall bar him from any statutory appeal under this chapter.

If an owner or lessee of real property fails to submit the information within the time and in the form prescribed, the owner shall be assessed an additional penalty for the next ensuing tax year in the amount of up to \$250 but only if the board of assessors informed the owner or lessee that failure to submit such information would result in the penalty.

Please file the completed return, signed under oath, to the Assessing Division, City Hall, 455 Main Street, Room 209, Worcester, MA 01608, within 60 days, that is, not later than **Friday July 14th, 2023**. Report only typical expenses, if a major repair was performed (i.e. Roof replacement) do not report the full cost in one year. **Massachusetts law states that failure to respond timely and accurately to this request within sixty (60) days of the postmarked date will cause you to lose your right to appeal your assessment. Further, you will be assessed an additional amount of up to \$250 on your Fiscal Year 2024 tax bill.**

If you have any questions related to the questionnaire, or the valuation of your property, you may direct them to me at (508) 799-1024. Please respond as soon as possible, but **not later than Friday July 14th to avoid any added penalty.**

Regards,

Samuel E. Konieczny, MAA

City Assessor
