Secretary of State William Francis Galvin
State House
Boston, MA 02133

Dear Secretary Galvin:

Pursuant to Chapter 273 of the Acts of 2018, an FY18 Supplemental Budget, the Division of Local Mandates within the Office of the State Auditor was asked by your office to certify expenses for all cities and towns of the Commonwealth from the early voting period of 2018. I am pleased to report that, after compiling and reviewing responses from each of our 351 municipalities, we are certifying a total of \$1,144,156.22 for the mandated early voting costs related to the general election held in the fall of 2018. The detailed amounts for each community are shown in the attached spreadsheet.

In order to compile and certify this total, my office sent an electronic survey to elections officials (primarily city and town clerks) in all 351 municipalities, asking them specific questions about the expenditures they incurred to meet the requirements of the early voting law. As you may recall, that law called on municipalities to offer early voting during normal business hours during a 12-day period in October 2018. Our mandate determination found that some additional expenses – such as overtime for regular employees or the cost of additional election workers – incurred to support early voting, constituted an unfunded mandate, thus requiring reimbursement from the Commonwealth. These expenses, having been electronically submitted and carefully examined by our Division of Local Mandates, comprise the total cited above.

In preparation for the 2018 general election, the legislature appropriated \$2,500,000 for your office to dispense to municipalities to support early voting. In part because you have already provided some funding for communities that offered additional voting hours over the weekend of October 27 and 28, 2018 (beyond the minimum hours specified by the law), our analysis did not include those costs, nor are those optional expenditures included in the totals attached today.

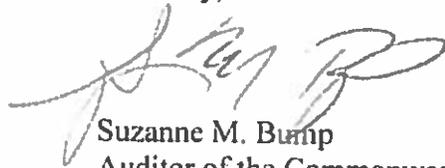

Secretary of State William Francis Galvin

This process accounts for the expenses for 2018. We now look forward to working with you as the Commonwealth develops a formal, ongoing procedure for covering these local costs for state-mandated early voting in 2020 and beyond. We have already made suggestions to the proper committees for recommended legislative language and we will continue to cooperate with your office on information obtained in this year's election and certification process that can lead to even better outcomes in the future.

If you have questions on this document or the detailed numbers attached, please contact the Director of the Division of Local Mandates, Ben Tafoya, at 857-242-5428.

I look forward to our continuing cooperation on this issue. Early voting is an important addition to our democratic processes and funding the expenses incurred by our municipalities will make it that much stronger.

Sincerely,

Suzanne M. Bump
Auditor of the Commonwealth

Part I ADMINISTRATION OF THE GOVERNMENT**Title VIII** ELECTIONS**Chapter 54** ELECTIONS**Section 11B** FILING FOR APPOINTMENT IN CITIES; PROCEDURE;
ELIGIBILITY; EXAMINATIONS

Section 11B. The chairman of the city committee of each political party entitled to representation in the appointment of election officers may, not later than June first in each year, file with the registrars lists of enrolled members of such party who desire appointment as election officers as submitted to him by the several ward committees. The registrars shall, not later than April fifteenth of each year, make written notification to the chairman of record of the city committee of each political party and the chairman of record of the ward committee of each political party that said list must be submitted no later than June first of the same year. Upon the filing of such lists the registrars shall forthwith proceed to the consideration thereof and shall, on or before June thirtieth, submit to the mayor or other appointing authority the names of persons whose names appear on the lists, who in their opinion are qualified to act as election officers. The lists submitted

by the several ward committees shall contain not more than eight names for each office to be filled. Supplemental lists for any election district as submitted by the several ward committees therein may be filed by the said chairman at any time before the appointments for such district are made, for the purpose of filling vacancies which may occur in the original lists. No person shall be appointed as an election officer until he is found qualified to act as such as herein provided. Appointments shall be made from the original list before any names are taken from any supplemental list.

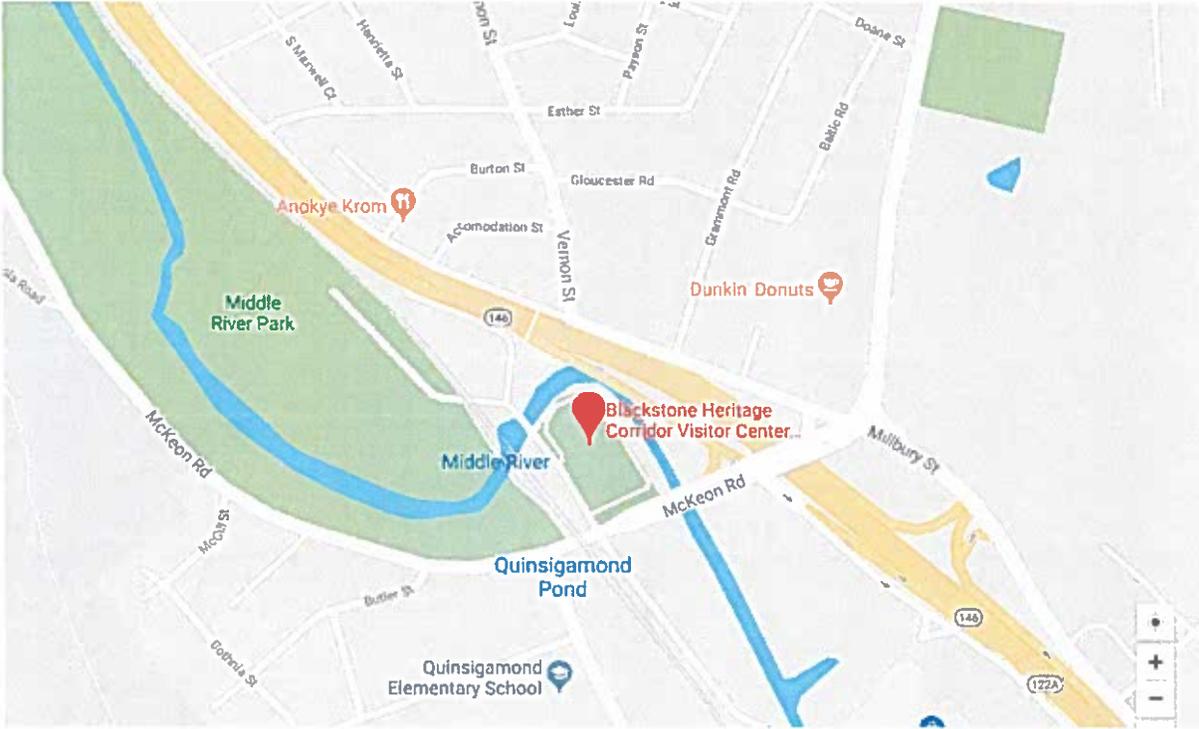

If, upon the expiration of fifteen days after notice given in writing prior to June fifteenth, in any year by the mayor or other appointing authority to the chairman of any political committee by whom lists are to be filed hereunder, and to the chairman of the state committee of such political party, neither the state nor city chairman shall have filed original or supplemental lists, the mayor or other appointing authority may appoint as election officers registered voters in the commonwealth, except as otherwise provided in this section recommended by the city clerk or election commission, who, in the opinion of the mayor or other appointing authority, are qualified to act as such.

Not more than 2 such election officers may be appointed who: (1) are 16 or 17 years of age; (2) are residents of the commonwealth; (3) are United States citizens when appointed; (4) are able to speak, read and write the English language; (5) have provided a letter from a parent or guardian giving permission for them to

serve as election officers; (6) have provided a letter from their school principal giving permission for them to be absent from school to serve as election officers if the election or a training will take place when school is in session or, if home schooled, have provided a copy of the document indicating approval to be home schooled; and (7) agree to attend required training sessions. If an election officer under this paragraph attends a school that encourages or requires community service, serving as an election officer may be considered a community service activity. In no case shall a person 16 or 17 years of age serve as an election officer on the day of an election for more than the number of hours permitted for such a person to work pursuant to section 66 of chapter 149.

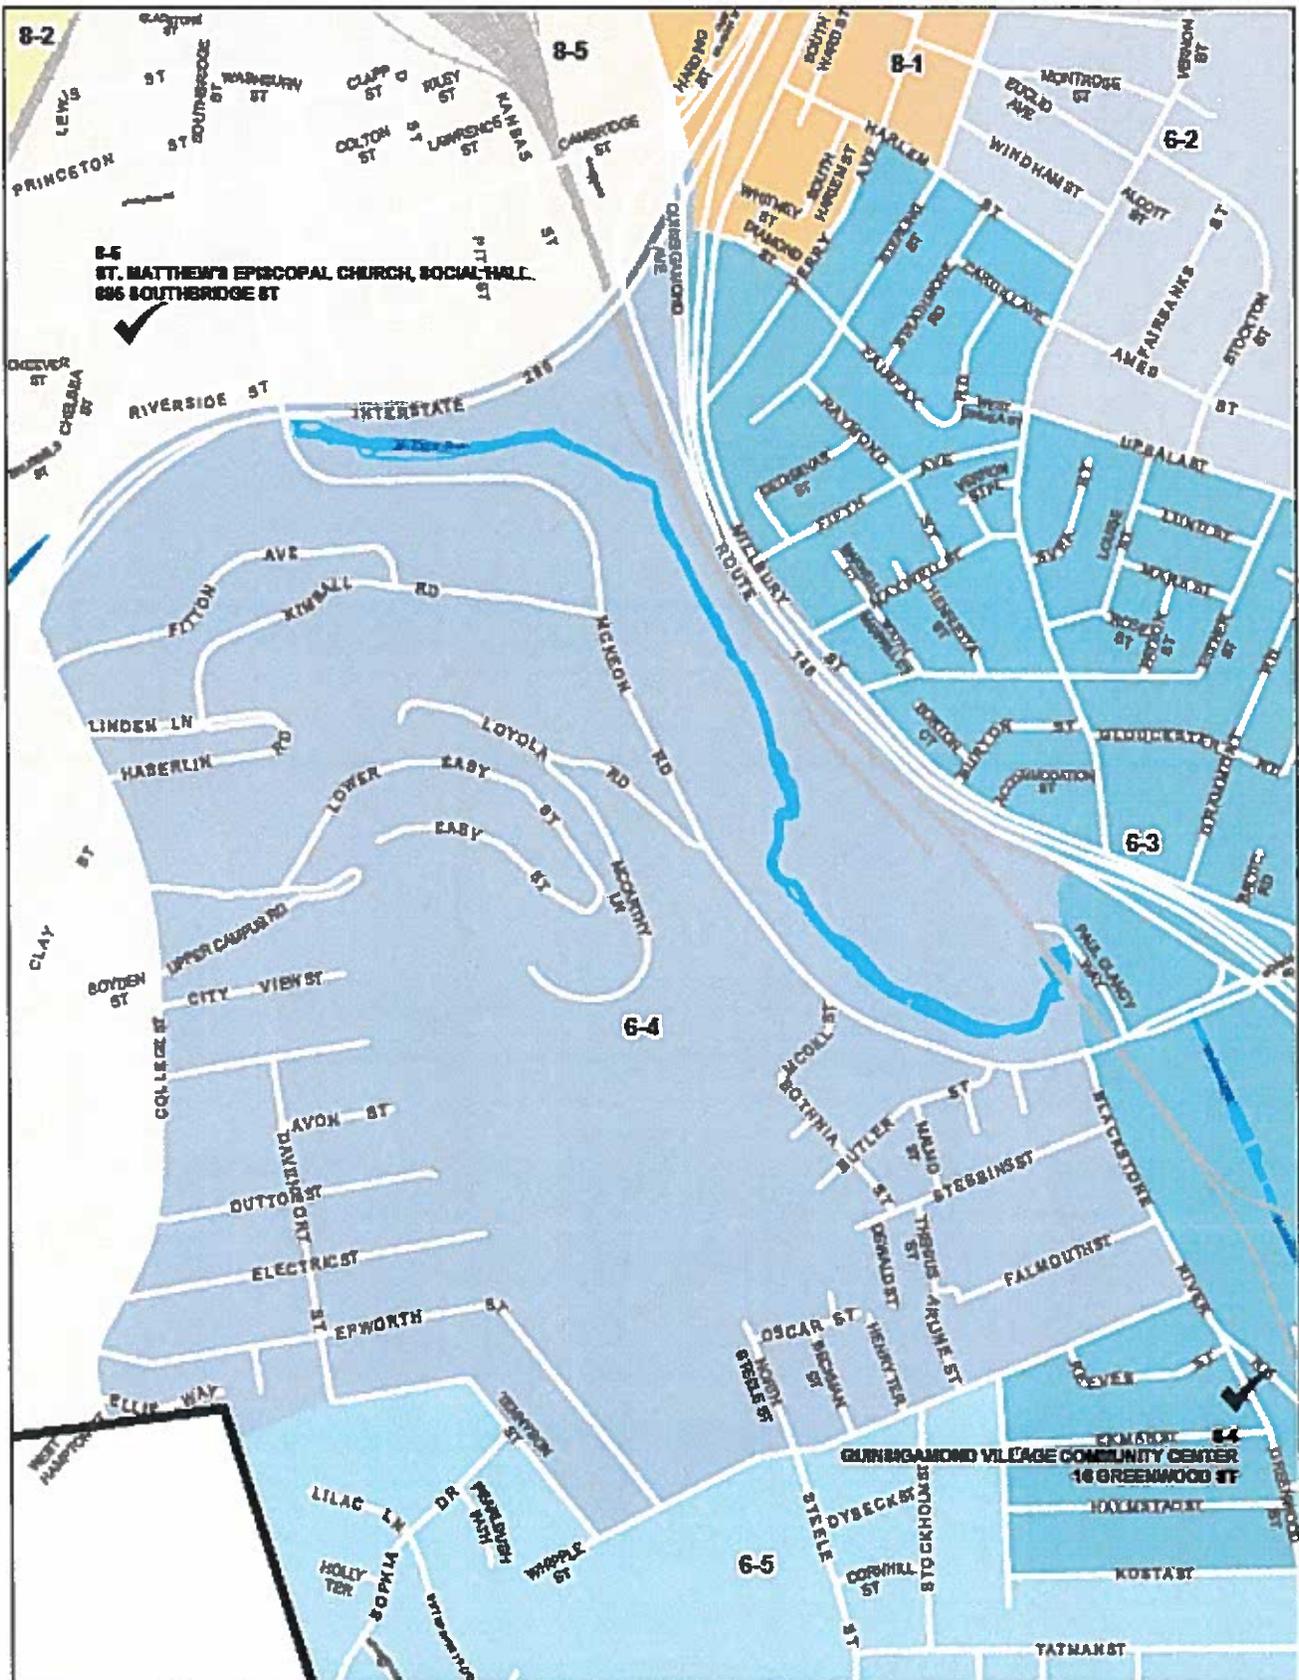

The registrars may, if they deem it necessary, conduct examinations of persons whose names appear on the lists filed hereunder. Five days' notice shall be given of any such examination. The chairman of each city committee may appear and be heard either in person or by counsel, during the conduct of such examinations.
