The Open Meeting Law Training Seminar

The City Administration respectfully requests that all Board members attend this important training seminar regarding the Open Meeting Law M.G.L. c. 30A, §§ 18-25 (Effective July 1, 2010).

The Open Meeting Law supports the principle that the democratic process depends on the public having knowledge about the considerations underlying governmental action. This educational forum will be conducted by the State's Division of Open Government and will provide an opportunity for municipal officials, board members, and the public to learn more about this law and understand its provisions.

Topics covered at this meeting will be specifically relevant to Board and Commission meetings. There will also be an opportunity for questions and answers.

This forum is open to the public and offered free of charge.
