1. Call to Order: Chairman Joe Boynton called the meeting to order at 5:30 P.M.

2. Approval of Minutes – April 9, 2003 Meeting: Upon a motion by John Shea and seconded by Stephen Petro, the Board voted 5-0 to approve the minutes of the April 9, 2003 meeting.

3. Putnam Lane – Zone Change: Attorney Joseph Losapio spoke in favor. Attorney Samuel DeSimone, representing Universal Metals, expressed opposition based on the fact the current owners were not willing to give him written assurance that, should the proposed deal with Princeton Place not be completed and another buyer is sought, they would do their utmost to see that a buffer between the Universal Metal manufacturing use and any future residential use is provided. Upon a motion by Samuel Rosario and seconded by John Shea, the Board voted 5-0 to close the hearing. A motion by Samuel Rosario to recommend approval did not get a second. Upon a motion by John Shea and seconded by Stephen Petro, the Board voted 3-2 (Joe Boynton and Samuel Rosario voted no) to recommend denial because of the negative impact on the area’s manufacturing concern already in place and the potential negative impact on the City’s tax base if the residential use is not market rate.

4. Tacoma Street – Site Plan Approval: Upon a motion by John Shea and seconded by Stephen Petro, the Board voted 5-0 to continue the site plan to May 28, 2003 at the request of the applicant.

Upon a motion by John Shea and seconded by Stephen Petro, the Board voted 5-0 to recommend approval because the primary use of the area is residential, the change would be consistent with the neighborhood and market rate housing would increase the tax base of the City.

9. **1A Ararat Street – Special Permit:** Site plan approval was taken collectively. The hearing was not opened. Upon a motion by John Shea and seconded by Stephen Petro, the Board voted 5-0 to continue both items to May 28, 2003 at the request of the applicant.
