Regular Meeting (5:30 PM) – City Council Chambers, City Hall.

1.  Call to Order: Chairman Joe Boynton called the meeting to order at 5:30 PM.

2.  Approval of the Minutes – July 14, 2004 Meeting: Upon a motion by Samuel Rosario
    and seconded by Anne O’Connor, the Board voted 3-0 (John Shea and Stephen Petro
    recused themselves because they were not present at the July 14, 2004 meeting) to
    approve the minutes of the July 14, 2004 meeting.

3.  319-321 Cambridge Street/2 Hacker Street – Site Plan Approval: Joe Boynton
    recused himself. Upon a motion by John Shea and seconded by Stephen Petro, the Board
    voted 2-2 (Samuel Rosario and Anne O’Connor voted no) to deny site plan approval
    because walking across Cambridge Street to the parking lot was a public safety issue. At
    this point the applicant requested a time extension and continuance. Upon a motion by
    John Shea and seconded by Stephen Petro, the Board voted 4-0 to extend the deadline for
    constructive grant to August 11, 2004 and continued the site plan approval to August 11,
    2004 at the request of the applicant.

4.  269 Lake Avenue – Site Plan Approval: John Shea recused himself. Upon a motion by
    Samuel Rosario and seconded by Stephen Petro, the Board voted 3-1 (Joe Boynton voted
    no) to approve the site plan with the following conditions:

    •  Stabilization of sloped area is to be done immediately.
    •  Plan must show three-car garage for the main house.
    •  All work must conform to the standards contained in the City
      of Worcester, Department of Public Works, Engineering
Subject to Zoning Enforcement Officer’s determination that the parcel complies with all the relevant provisions of the Zoning Ordinance.

- The appropriate soil erosion and sediment control measures, including hay bales and silt fence, shall be installed and maintained throughout construction by the applicant to the satisfaction of the Director of Code Enforcement.

- Four copies of revised plan must be submitted to the Land Use Office prior to release of decision.

5. **269 Lake Avenue – More Than One Building On A Lot:** John Shea recused himself. Notice of the hearing was read by the Clerk. Attorney Patricia Gates, T. Patrick Harrington and Rick Biloudeau spoke in favor. There was no opposition. Upon a motion by Samuel Rosario and seconded by Stephen Petro, the Board voted 4-0 to close the hearing. Upon a motion by Samuel Rosario and seconded by Stephen Petro, the Board voted 3-1 (Joe Boynton voted no) to approve the application for more than one building on a lot.

6. **Zoning Ordinance Amendment – Airport Environs Overlay District Moratorium:** John Shea recused himself. Notice of the hearing was read by the Clerk. Joel Fontane presented two revisions to the proposed moratorium. The first revision recognizes that the land use regime in the Airport Environs is primarily lower-density single-family uses and exempts these uses from the moratorium. The second revision allows for expansion of existing dwelling units. These revisions provide for an appropriate moratorium proposal given the context of existing development in the airport environs. With these modifications, the moratorium temporarily suspends the higher-density residential uses that are currently permitted (by special permit) in the Airport Environs. Accordingly, this ordinance will not further restrict (beyond current zoning) the development of single-family detached, single-family semi-detached, and two-family dwelling units. Lance McKee, representing the Tatnuck Brook Watershed Association, and Peter Cataldo asked for clarification. Upon a motion by Samuel Rosario and seconded by Stephen Petro, the Board voted 4-0 to close the hearing. A motion by Samuel Rosario and seconded by Stephen Petro to recommend denial was withdrawn. Upon a motion by Samuel Rosario and seconded by Anne O’Connor, the Board voted 3-1 (Stephen Petro voted no) to recommend adoption of the petition with the revisions presented for a period of two months (instead of 24 months) from the date of ordination. During this time, the Planning Board will consider zoning alternatives that would restrict development in the Airport area, including the environs, to lower density residential uses such as those allowed in RS-7 and RS-10 zones. The moratorium with these amendments is as follows:

The Worcester Zoning Ordinance, adopted April 2, 1991, be and is hereby amended by inserting after section 2 in Article XI, the following new section:

“Section 3 – Interim Building Moratorium”
A. The purposes of this section are declared to be:

1. To protect the public health and safety from potentially incompatible development within the Airport Environs Overlay District;

2. To protect those areas within the Airport Environs Overlay District pending completion of a comprehensive planning process and possible adoption of a rezoning proposal;

3. To protect those areas within the Airport Environs Overlay District from development that would frustrate the goals of a comprehensive planning process and any contemplated rezoning.

B. Duration of the Moratorium

1. The interim building moratorium established hereunder shall expire two (2) months from the date of its adoption or until the completion of the comprehensive planning process and the adoption of any zoning amendments derived from the comprehensive planning process, whichever occurs first.

2. Anything in Section 3(B)(1) to the contrary notwithstanding, the effective time period of the moratorium may be extended by a 2/3’s vote of the City Council but, under no circumstances may the moratorium remain in effect more than thirty-six months from the date of its adoption.

C. Prohibited Uses

1. During the effective time period of the moratorium no building permit, special permit or variance shall be issued within the Airport Environs Overlay District for the following uses:

   a) Uses listed in Article IV, Section 2, Table 4.1 – Residential Use;

   b) Nursing or convalescent home/institution/facility (Article IV, Section 2, Table 4.1 – General Uses, Line 12); and

   c) Schools (vocational, professional, others) --- profit (Article IV, Section 2, Table 4.1 – General Uses, Line 18).

D. Exemptions
1. The following uses and activities shall be exempted from the application of the moratorium:

   a) Renovation to existing structures not resulting in a new or additional dwelling unit, institutional room or classroom; and

   b) Accessory buildings or structures, such as garages, sheds, fences, signs and swimming pools; and

   c) Repairs to existing structures; and

   d) Reconstruction, without expansion, of any structure damaged or destroyed by casualty; and

   e) The following Residential uses: Single-family detached, Single-family semi-detached and Two-family detached dwelling units.
