Public Meeting

9. 27 Commonwealth Avenue – Definitive Site Plan (PB-2016-052)

John Grenier, J.M. Grenier Associates, stated that they have submitted plans to the Conservation Commission and they already voted to approve the project. He stated that they had received DPW’s comments and have updated their plan after receiving their comments and reviewed the plans and showed the trees that would be removed from the site and stated that many of the trees on Commonwealth Avenue will remain and they will add one street tree.

Mr. Grenier reviewed the erosion controls the site.

Mr. Lyford stated that DPW wanted to see the gravity detention detail updated and they would like to see the recharge unit addressed.

Mr. Antonellis stated that the no rendering had been provided and as condition approval they like that included and well as DPW comments incorporated.

Mr. Grenier asked for a waiver of the requirement of showing abutters within 300 feet on the plan.

Upon a motion by Mr. Vigliotti and seconded by Ms. Carmody the Board voted 3-0 to allow the waiver to not show abutters within 300 feet on the site plan.

Upon a motion by Mr. Vigliotti and seconded by Ms. Carmody the Board Voted 3-0 to approve the Definitive Site Plan with the conditions in staff’s memo and the conditions outlined in DPW’s memo which were as follows,

a. Address possible conflicts between existing tree and proposed infrastructure.

b. Provide sewer connection detail.

c. Relocate water service from underneath staircase.

10. 128 Alvarado Avenue – Amendment to Definitive Subdivision (PB-2016-054a)
11. 128 Alvarado Avenue – Definitive Site Plan (PB-2016-054b)

Items #10, #11 were taken contemporaneously.

Pat Burke, H.S.&T. Group appeared on behalf of the application and he stated that the item had come before the Planning Board prior but they are now coming in with a revised plan as they would like to split Lot 3 into a duplex lot and they are updating drainage plan to move it out of the 30 foot buffer. He stated that they had received staff comments and agree with them.

Mr. Lyford stated that DPW does want to see the surcharge coming from the drainage system reduced and they would like to see the sanitary sewer connections be six inches.

DPW and DPRS staff both stated that they would not be comfortable with conditional approval at this time.

Ms. Tatasciore stated that there is discrepancy in the revised plan for the Definitive Subdivision with regard to the easement and that is going to need to be address and she would recommend the item be continued so concerns can be addressed.

Upon a motion by Mr. Vigliotti and seconded by Ms. Carmody the Commission voted 3-0 to continue the items #10 and #11 until the March 1, 2017 Planning Board meeting.
