   a. Public Hearing – Amendment to Special Permit for Adult Use Marijuana Establishment – Storefront Retailer Use

Attorney Joshua Lee Smith appeared upon behalf of the applicant, Nature’s Remedy. The applicant seeks to construct a new +/- 11 space parking area on-site (for a total of +/-34 spaces) as well as seeking to allow an Adult Use Marijuana establishment – Storefront Retailer Use on the property.

Mr. Smith provided an overview of the business and the parking plan proposed for the site. Mr. Smith stated that an agreement has been made with Guertin's Graphics with regard to provide parking for their site in lieu of building a new parking lot.

Upon a motion by Mr. LaValley and seconded by Ms. Gilmore, the Board voted 5-0 to close the Public Hearing.

Upon a motion by Mr. LaValley and seconded by Ms. Gilmore, the Board voted 5-0 to approve the Amendment to the Special Permit for Adult Use Marijuana Establishment – Storefront Retailer Use with conditions outlined in staff’s memo, as well as the following condition:

“That a minimum of 5 off street parking spaces within 1,000 feet of the adult use marijuana retail establishment be provided and designated for customer parking, and that such parking spaces shall have adequate access, egress, and safety for pedestrians and vehicles. Lighting shall be used to illuminate any off-street parking spaces, and shall be installed so that such lighting does not cause a public nuisance to adjacent properties. All off-street parking shall be maintained by the marijuana retail establishment in good repair, neat, orderly appearance, and free from refuse and debris, and shall be sufficiently equipped with safety measures to deter and prevent unauthorized activities in and around said parking spaces.”

The Board also voted to accept the amended Findings of Facts as proposed by the applicant and modified by staff.

9. Higgins Farm (fka 727 Salisbury Street) or Salisbury Hill CCRC (PB-2019-047)

a. Public Hearing – Special Permit Amendment – To allow a Continuing Care Retirement Community (CCRC)

b. Public Meeting – Definitive Site Plan Approval

John Kucich from Bohler Engineering along with representatives for Premier Property LLC appeared upon behalf of the application.

Presently on the premises is a partially constructed (+/- 84 units completed) Continuing Care Retirement Community (CCRC), known as Salisbury Hill, and related driveway networks and site improvements on acres of land located off Salisbury Street and Barrows Road.

The applicant is seeking to amend the previous CCRC Special Permit (as most recently Amended in 2016) by:

1. Decreasing the overall number of units by **82**, from 280 units to 198 units, by re-configuring the construction style of the proposed dwelling units to single-family density via a combination of single-family detached and semi-detached (i.e. duplex) dwellings (in lieu of single-family attached dwellings and multi-family low-rise dwellings). See Table 1.

2. Modify the proposed driveway network to accommodate the change to the proposed dwellings. Note: the dead-end length increases for Salisbury Hill Boulevard and the width decreases.

3. Modify the phasing plans (i.e. construction sequence) and limit of work (i.e. clearing & grading), update the existing natural features present on-site to reflect an expanded wetland network on the southern and western portion of the site.

4. Revise the proposed stormwater infrastructure to meet the current stormwater requirements.

5. Re-configuring the location of the proposed sewer pump station and updating the proposed sewer system design to accommodate revised project.

6. Revised grading, layout, and materials (including open space area) proposed to reflect and accommodate the above changes.

Mr. Lyford stated that for the pump station that DPW would like to see an operation and maintenance plan.

Andrew Freilich questioned whether this item should be before the Board, positing that the project does not meet the requirements to qualify as a Continuing Care Retirement Community.

James White stated that expressed concern about the project, particularly regarding the fence being maintained and determination of the property lines.

Ben Bruneau expressed his concern regarding buffers, noise, and light.

Hal Schneider spoke in support of the application.

William Eddy expressed concern about how buffers would be implemented for Barrows Road considering the size of the project.

Donald Dogun asked the Board to consider what was approved in 2002 prior to voting on this item.

Patrick Cherry stated that he was concern that Barrows Road would become an access road for this expansion.

Doug Farmer stated that Salisbury Hill residents are not asking for access to Barrows Road.

Kristopher Beckman stated that he wants as little impact on Barrows Road as possible.

The Board and the applicant discussed the parking, access for the site, and the type of amenities to be available on the site.

Mr. Vigliotti stated his concern regarding the degree of change from the original plan and the outstanding issues regarding services to be provided.

Jo Hart expressed concern about the walkability to the site and in the area.

Bob DiPetrie of Capital Group Properties stated that in 2002 this project was approved with set of conditions and they are in compliance with the original conditions and that they would work with the residents of Barrows Road.

Upon a motion by Mr. LaValley and seconded by Mr. DePalo, the Board voted 5-0 to continue the
