a., b., & c.

Mr. McGourthy reviewed with the Board the cost fit-out of the tenant space and equipment purchase for Wormtown Brewery. Mr. McGourthy explained to the Board the process of the acquisition of the brewing equipment through the City of Worcester Purchasing...
Department, with an estimated cost of $400,000. The purchase of the equipment is conditioned on an execution of a lease between the WRA and Wormtown Brewery.

Mr. McGourthy also explained that the Board may need to use the City’s on-call architectural services firm, Lindgren & Sharples, to provide tenant fit-out design services for Wormtown Brewery, which cost is estimated to be $430,000. This will necessitate an amendment to the Union Station cooperation agreement for capital funding. Mr. McGourthy and Mr. Traynor noted that they are working on including in the lease charges for the common area and prepayment on the equipment. Mr. McGourthy will send the Board members a draft lease for review with the possibility of scheduling a special meeting to move the project forward.

e. Union Station Capital Program

Mr. McGourthy reviewed with the Board the rent portion of the lease between the Worcester Redevelopment Authority and Worcester Regional Transit Administration. The WRTA will pay rent in approximately $1.3 million per year from the Federal Transit Fixed Guideway Funds, or any successor funding. Said funds average approximately $1.3 million per year. Mr. McGourthy explained that the WRA needs to provide the WRTA with a projected budget 60 days (essentially by October 31st) prior to the beginning of the calendar year. The WRTA will review and approve, and work with the WRA as necessary to secure any additional approvals, including Federal officials and the Metropolitan Planning Organization (MPO). The WRTA’s rent payments begin 90 days after receipt of a Certificate of Occupancy. The WRTA’s estimated occupancy date is March 2013, which means that rent would begin July 1, 2013. Rent is based on a calendar year, which means that as of October 31, 2012, the WRA will provide the WRTA with a Budget for July 1, 2013 through December 31, 2013. Mr. McGourthy reviewed with the Board the FY13 – Capital Projects; FY13 Maintenance Projects, and FY13/14 – Future Phases and Capital Items budget.
