   c. Theatre District Initiative

      Mr. McGourthy provided an overview of the status of the Theatre District Master Plan effort. Mr. McGourthy explained the difference between the Master Plan effort and the WBDC’s ice rink concept for the parking lot adjacent to the Worcester Public Library. Mr. McGourthy then presented a PowerPoint to the Board of the current Theatre District Master Plan thinking. The presentation highlighted the Master Plan Action Agenda as well as the study area, the assets and strengths, the downtown anchors, the area successes, the weaknesses, the analysis of building facades, development opportunities, challenges, and goals of the plan.

      Mr. McGourthy provided the Board with a time table on a public hearing set for sometime in December or January and submittal to City Council and advised the Board that he is still in discussions with WBDC and their new planning consultant.    d. Tenant Updates

      Ms. Cahill noted that every tenant with the exception of Byblos Lounge is current with rent, but she was informed that Byblos is expected to deliver a check today. Mr. McGourthy stated that Byblos has received DOR approval for hookah use on the premises and is just waiting to finish the modifications that were imposed by Inspectional Services. No hookah activity will be authorized until the WRA Board approves a modification in the lease.

      Mr. McGourthy noted that due to the lack of response by Maxwell Silverman’s the WRA has removed the awning with a cost of approximately $3,500.00. Attorney Traynor has been exchanging communication with Maxwell Silverman’s attorney.
Mr. McGourthy and Paul Morano updated the Board about the status of the Wormtown Brewery proposed tenancy. City Council had approved the loan order necessary to initiate bidding for various tenant-related equipment, recognizing that no equipment would be purchased until a lease was approved by the WRA and executed. The Board Members provided to Mr. McGourthy alternatives to be brought back to Wormtown and their concerns about the current funding arrangements.

There being no further business, the meeting was adjourned at 1:40 P.M.

Respectfully submitted,

Timothy J. McGourthy
