Marguerite Cormier and Jeanne Burow, abutters, expressed concerns relative to quality of life issues. Mr. Bergman and Mr. Armendo stated they would not vote favorably if the
abutters were not comfortable. Chair Ciuffredo urged the petitioner to meet with the abutters and try to work out a compromise. Mr. Bergman asked staff to check with the Fire Department to see if there were any issues from its perspective. Ms. Stolberg informed the Board that the Fire Department had returned its comment sheet and checked off “no comments at this time”. 3. 76 Sagamore Road – Extension of Time for Special Permit: Samuel DeSimone, representative for the petitioners, presented the petition. He stated that a Special Permit had been approved on April 10, 2006 for the purpose of maintaining the existing three-family dwelling structure on Lot 1 and constructing a two-family dwelling structure on Lot 2. Anthony Prendegast questioned why an extension of time was necessary. Mr. DeSimone responded that finding a contractor had been a problem because of the costs involved. In response to a question from Mr. George, Mr. DeSimone and Linda Reid, petitioner, stated construction would commence by Fall of this year. Mr. Prendergast said he was looking for closure on this project and that the delay is causing an undue hardship for the neighborhood. Mr. Bergman stated he would not be inclined to vote for another extension of time if construction were not started on the project. Upon a motion by Morris Bergman and seconded by David George, the Board voted 5-0 to close the hearing. Upon a motion by Morris Bergman and seconded by David George, it was voted 5-0 by Leonard Ciuffredo, Morris Bergman, Matthew Armendo, David George and Lawrence Abramoff to approve the following:

He stated he is seeking a Special Permit for an accessory parking lot for the purpose of providing parking for tenants at 68 Woodland Street, a condominium complex also owned by the petitioner. Mr. George asked if the lot would be paved and Mr. Kupelnich responded that it would be compressed aggregate. Mr. Armendo and Mr. George informed Mr. Kupelnich that the spaces needed to be defined. Mr. Kelly said the spaces should be striped and numbered. Rich Tran, an abutter, complained about noise on the premises late at night. Mr. Bergman suggested signage stating parking was for the Woodland Street tenants only and violators would be towed. Mr. Fontane indicated he recommended Dark American Arborvitae thickly planted (4 feet on center) and/or a fence with landscaping be placed along all shared property lines. He said one additional street tree was necessary as well. Upon a motion by Matthew Armendo and seconded by Andrew Freilich, the Board voted 5-0 to close the hearing. The petitioner is seeking a Variance for 44 square feet of relief from the signage dimension requirement for the purpose of adding a 3’x8’ illuminated sign to the existing 4’x8’ illuminated sign at the corner of the property. Mr. Altomieri said the petitioner had met with the neighbors to address their concerns. Chair Ciuffredo asked about the number of bedrooms in each apartment. Mr. Hummer responded that there would be three apartments with four bedrooms each and one apartment with two bedrooms. He said there would be no changes to the exterior of the structure at this time. Mr. Fontane informed the Board that the plan did not meet the parking requirement, had insufficient landscaping and showed snow storage in the landscape buffer or screening areas. Upon a motion by Matthew Armendo and seconded by Andrew Freilich, it was voted 5-0 to table the item to allow the petitioner to discuss changes to the plan with his engineer.

At the end of the meeting, upon a motion by Matthew Armendo and seconded by Andrew Freilich, it was voted 5-0 by Matthew Armendo, Morris Bergman, Leonard Ciuffredo, David George and Andrew Freilich to reconsider the item again. Mr. Fontane said the hearing could be continued to the next meeting and if approved at that meeting, the decision could be prepared, signed and filed in the City Clerk’s office within a few days. Upon a motion by Matthew Armendo and seconded by David George, it was voted 5-0 by Leonard Ciuffredo, Morris Bergman, Matthew Armendo, David George and Andrew Freilich to continue the hearing to March 12, 2007 to allow time for the petitioner to revise the plan.

When the petitioner received the abutters list from the Assessor’s office, the lot address was 156 Cohasset Street for a larger lot. Since that time, the Assessor has updated records to reflect that a portion of the lot has been split off and is now 112 Dana Avenue with the remainder being Lot 3, Cohasset Street. Upon a motion by Matthew Armendo and seconded by David George, it was voted 5-0 by Leonard Ciuffredo, Morris Bergman, Matthew Armendo, David George and Lawrence Abramoff to continue the hearing to March 26, 2007 so the petitioner can have the property surveyed to establish the property lines and reposition the dwelling so that it faces Humes Avenue.
