#8e CC April 4, 2017
123. Donna LaMura et al request the attached five point plan be adopted to control traffic on Lake Ave. North, which will increase the safety of the road for residents, walkers and bicycle riders who use this road.
#9i CC October 20, 2015
In Committee June 21, 2017 - Held

In Committee November 28, 2018 - Held

Miscellaneous Items

124. Petition of Councilor Candy Mero-Carlson request the four ADA handicap corner ramps be replaced at the intersection of Lake View St. and Sherbrook Ave.
#7e CC December 4, 2018

125. Order of Councilor Sarai Rivera and Mayor Joseph M. Petty request City Council amend its protocol so that petitions for the installation of handicap parking spaces be referred to the Traffic Division of the Department of Public Works and Parks for administrative review and approval in place of the longstanding practice of being considered by the Standing Committee on Traffic and Parking and the City Council. Further, request Commissioner of Public Works and Parks develop protocols for appeals of these administrative decisions that would involve routing through City Council and the Standing Committee. This change for petitions to be reviewed and approved can substantially speed-up the process for residents who desperately need the installation of handicap parking spaces.
#12e CC September 29, 2015
