

Urban Technologies, Innovation and Environment Committee PENDING LIST

Vice Chairperson Councilor Kathleen M Toomey
Chairperson Councilor Matthew E Wally
Councilor George J Russell

Miscellaneous

1. Order of Councilor Matthew E. Wally - Request City Council's newly created Standing Committee on Urban Technologies, Innovations, and Environment schedule a meeting to discuss the Committee's goals for the next two (2) years. As the Committee oversees matters pertaining to smart city solutions, process engineering, technology, telecommunications, strategic planning, green spaces, blue spaces, urban agricultural, urban trees, climate change and electric aggregation, the invitation should be extended to the appropriate staff in the Energy and Asset Management, Technical Services, and Urban Innovations Departments.
