When should I submit my application for an absentee ballot?

If you wish to vote by absentee ballot for more than one election in a year, you may make one application and request that ballots for all elections during that calendar year be sent to you. If you vote by mail, make certain the application arrives at your local Election Office early, so that they can process your request and mail the ballot to you in time. Remember, the ballot must be mailed to you – no faxes, e-mail attachments, pickups, etc. You may mail or hand-deliver the ballot back to the Election Office, but it must arrive before the close of the polls on Election Day (8:00 p.m. for State Elections).

Can anyone else apply for an absentee ballot for me?

Yes. A family member may apply for you.

Can I vote by absentee ballot in person?

Yes. You can apply and vote at the same time two to three weeks before an Election. Call your Election Office ahead of time to make certain that the absentee ballots are available. Please remember that you must meet one of the requirements listed above for absentee voting.

What if I'm not able to mark my absentee ballot?

You may ask any person to help you. The helper must print his or her name and your name on the brown envelope, write the reason you needed help, and then sign his or her name as the assisting person.

How do I return my absentee ballot to my local Election Office?

The ballot will come with instructions and a set of return envelopes. After marking your ballot, insert it into the inner envelope provided and seal that inner envelope. Read and sign the affirmation on the inner envelope. Place the signed and sealed inner envelope in the mailing envelope provided with your ballot.
