Attachment A – Site Plan Amendments

Minor Site Plan Amendments.

The following shall constitute minor modifications for the purposes of charging site plan amendment fees.

1. All underground changes;
2. Any change less than or equal to two feet (2’) in the location of buildings, parking, retaining walls or drainage facilities, caused by unexpected field conditions, as long as the new location does not penetrate the applicable setback required for the underlying zoning district or a non-zoning related setback specifically designated in the Planning Board’s Site Plan Approval or Special Permit Approval;
3. Changes in the location of less than, or equal to, 10% of the total area devoted to parking;
4. Changes in the number of compact parking spaces, provided that the number of compact spaces is less than or equal to 25% of the total number of spaces provided;
5. Changes in the location and types of lighting provided that they meet the intent of the zoning ordinance;
6. Changes in the dimensions of landscape buffers, location of plantings, and materials used, provided that they meet the intent of the zoning ordinance;
7. Changes in the location of signs provided that it meets the new location requirements of the Zoning Ordinance;
8. Any reduction in area of impervious surfaces;
9. The addition of nonhabitable accessory structures that meet the by-right requirements of the zoning ordinance;
10. Changes in grade that do not change the height of buildings by more than 5% provided that the resulting height of all structures meet the maximum height requirements of the zoning ordinance and that it does not create or disturb a slope greater than or equal to 15%; and
11. Any other changes the Division of Planning & Regulatory Services, at its discretion, considers insubstantial, excluding those classified as substantial site plan amendments.

Substantial Site Plan Amendments.

The following shall constitute substantial modifications for the purposes of charging site plan amendment fees.

1. Any change in the location of buildings, retaining walls or drainage facilities greater than two feet (2’) from the location approved.
2. Changes to building envelope that result in a larger footprint, an increase in height, an increase in volume, an increase in floor area, or any combination of such changes;
3. An increase in the land area devoted to parking, loading, or traffic circulation;
4. Changes to the architectural character including the color and style of materials used for the exterior façade of buildings;
5. Changes that result in a reduction of open space by more than 10%; and
6. Other changes the Planning and Regulatory Services Division, at its discretion, considers substantial in the context of the approved project.

Effective July 1, 2011
