Shared Deliverables:

1.
Shared decision making and reporting of efforts to resident-based accountability body

2. Work collaboratively around shared interventions

- Step 1: Explore our use of terminology and frameworks
- Step 2: Determine existing capacity and areas needed for expansion
- Step 3: Identify gaps
- Step 4: Continue to break down silos and weave existing efforts

3.
Vet opportunities for funding/resources with an eye towards funding equity

Resident-Based Accountability Body, including Youth
