

City of Worcester – CMRPC Bicycle Parking Program Approved Materials

The following is a list of Bike Racks approved for this project:

Each of these racks provide parking for two bikes:

Hoop Rack <http://www.dero.com/product/hoop-rack/>

Downtown Rack <http://www.dero.com/product/downtown-rack/>

Bike Hitch <http://www.dero.com/product/bike-hitch/>

These racks would be available for larger installations at schools, libraries, etc.

Rolling Rack <http://www.dero.com/product/rolling-rack/>

Campus Rack <http://www.dero.com/product/campus-rack/>

Additionally, consideration will be given for interstation of a repair station at an appropriate site.

Fixit <http://www.dero.com/product/fixit/>

Please visit these links to review the materials and determine which fixture would be appropriate for your potential sites.
