# ***COOKING SUPPRESSION INSTALLATION PERMIT APPLICATION***

A permit must be obtained from the Fire Department prior to the installation of a fire protection system in any new or existing building or structure. A fire protection system (i.e. cooking suppression) includes any device, equipment and systems used to detect a fire, activate an alarm, suppress or control a fire or any combination thereof. Permit is valid until change of use and must be inspected every 6 months by a licensed contractor. Contractor must supply plans for new systems.

*Procedure:*

1. Licensed contractor applies for permit (print an application attached).
2. Permit Fee - \$50.00 check or money order made payable to: City of Worcester.
3. Inspection within one week.

# Application for Cooking Suppression installation

Install commercial cooking suppression system in accordance with C.M.R. 11 & NFPA 96. The installer SHALL provide certification that the install is in agreement with the terms of the listing and manufacture's instructions & or approved design.
