At Fallon Health, we've been providing health care coverage to people with Medicare for more than 35 years. In fact, Fallon was one of the first health plans in America to have a Medicare HMO product.

Fallon Senior Plan has grown significantly since our early days. Now, Fallon Senior Plan Premier HMO is available to retirees across Massachusetts and also those who live in some cities and towns outside of Massachusetts. With an extensive number of providers in Massachusetts, one of them is probably yours. Open this booklet and see for yourself.
