RE: Established Fire Lane \_\_\_\_\_  
(Address)

Please be advised that according to 527 CMR 10.03(10), the head of the fire department shall require and designate public or private fire lanes as deemed necessary for the efficient and effective use of fire apparatus.

The Worcester Fire Department has determined that a fire lane shall be established at the above location.

It is your responsibility to provide and maintain proper fire lane signs or markings in a clean and legible condition at all times and replaced when necessary to insure adequate visibility.

Fire lanes shall have a minimum width of 18 feet to accommodate fire apparatus. A yellow line shall be drawn from end to end, extending out 5 feet from the curbstone. Letters "NO PARKING FIRE LANE", 2 feet high and 3 inches side shall be painted in the fire lane. In addition, postings of signage "NO PARKING FIRE LANE", shall be placed along fire lane.

If you have any questions or need assistance, please contact the Worcester Fire Prevention Division at (508) 799-1822.
