COMMUNITY MEETING NOTICE

The City of Worcester Department of Public Works & Parks (DPW&P) invites you to a community meeting to be held on

Thursday, November 8, 2018

6:30-8:30pm

Worcester Public Library, Saxe Room, 3 Salem Square

The DPW&P has scheduled this meeting to update the community about continuing work on the **Integrated Water Resources Management Plan (Integrated Plan)**. At this meeting, DPW&P staff will discuss the ongoing evaluation of the City's water/wastewater/stormwater system needs and the related infrastructure investments that will address them to benefit Worcester's residents, businesses and the environment. The Integrated Plan will help us

spend our financial resources efficiently, to help minimize impacts to your rates and provide the City services you depend on.

The **Integrated Plan** involves things YOU care about:

WASTEWATER, STORMWATER, FLOODING, DRINKING WATER & MORE.

We hope to see you on NOVEMBER 8 to hear the latest updates!

Please take our survey! Visit the Integrated Plan website at www.worcesterwaters.com to take our online survey, view a video, learn more about the Integrated Plan, and sign up for meeting notices and updates.

Anyone who is interested in how we spend your water and sewer dollars should attend this meeting. **Please share this notice!**
