

City of Worcester – CMRPC Bicycle Parking Program: Subscription Form

The municipal corporation named below, by action of its duly authorized contracting authority, hereby declares its engagement of the provider of the above listed good and/or services. This engagement is made subject to the terms and conditions of the contract cited below, entered into by the City of Worcester pursuant to M.G.L. c. 7s.22B, as a collective procurement on behalf of participating member municipalities, and subject to applicable Massachusetts municipal procurement statutes, to which the City of Worcester certifies compliance.

The municipality acknowledges and accepts that:

This agreement to consume and provide the subject goods and/or services is made by and between the municipality and the contractor, and that the City of Worcester is neither a party to nor liable for any obligations arising from any consumptive transactions.

The municipality alone is responsible for payment to the provider for any goods and/or services rendered through the contract.

The municipality alone is responsible for obtaining, from the provider, any and all bonds, insurance and other certificates required for completion and consummation of the contract, which were not provided as part of the bid or proposal.
