SPRINKLER SYSTEM INSTALLATION/REPAIR PERMIT APPLICATION

A permit shall be required for the installation of a sprinkler system to any new or existing building. All new installations require plans and calculations to be submitted to the Building & Zoning Division and to Fire Prevention.

Procedure:

1. Licensed sprinkler contractor submits plans to the Building & Zoning Division and Fire Prevention.
2. Contractor applies for permit.
3. Permit Fee - \$50.00 check or money order payable to: City of Worcester.
