PYROTECHNIC DISPLAY PERMIT APPLICATION (SPECIAL EFFECTS)

Fireworks are prohibited in the State of Massachusetts. This form shall be used as the application and permit for the supervised public display of fireworks only. The applicant shall pass a comprehensive written examination covering state laws, regulations and industrial safety standards pertaining to display of fireworks in [527 CMR 2.00](#) (*PDF 503KB*). Permit is for the length of the display only and a fire detail is mandated.

Procedure:

1. Applicant submits completed forms (found at Fire Prevention Division) to the WFD (in triplicate).
2. Application and forms to be submitted at least 15 days in advance of display.
3. Permit Fee - \$50.00 check or money order payable to: City of Worcester.
