

Managing your dental plan is a breeze at altusdental.com.

Understanding your dental benefits should never be a hassle. Our website makes it easy for you to view important information about your Altus Dental plan. Our secure online services are the best and most convenient way for you to access plan information, like your Benefits Summary, and view your coverage details in real-time. If you haven't already, register an online account with us today.

Take a look at our online services:

Check your specific benefits and coverage dates

Look up the status of a claim or view your recent claim history

Review deductible and maximum amounts and confirm remaining balances

Instantly print or view a copy of your ID card

Plus, be sure to use our **FIND A DENTIST** tool to see if your current dentist participates in our network, or locate a new participating dentist in your area. Simply enter a local zip code and/or the type of dentist and you'll find all the information you need.

Register Today! Simple, secure, convenient

Setting up and managing your account is simple, secure and convenient. All you need is your Altus Dental ID card to get started.

Here's how to register:

1. Visit altusdental.com and click on the "Members" tab.
2. Click on "Register Here" in the top right panel.
3. Complete the form. You'll be asked to select a user ID and password, as well as two security questions to add an extra level of protection to your account.
4. Review our Terms of Use and submit your registration.

Once you've registered, we'll send you a confirmation email, letting you know you've completed the process. Then, simply log in to your account to begin accessing information about your dental plan, dental health tips and more!
