UNVENTED PROPANE OR NATURAL GAS-FIRED SPACE HEATER PERMIT APPLICATION

A permit shall be obtained from Fire Prevention and/or Building & Zoning Division, at 25 Meade Street, for the installation of all unvented propane or natural gas-fired space heaters. Unvented gas-fired space heater may be used only for supplemental heat and/or decorative purposes and under no circumstances shall they provide a primary heat source.

[527 CMR 30.00](#) (*PDF 21KB*) provides the detailed requirements for the installation, maintenance and operation of unvented propane or natural gas-fired space heaters.

Procedure:

1. Applicant applies for permit (attached).
2. Permit fee - \$50.00 check or money order made payable to: City of Worcester.
3. Final inspection required from Fire and Gas Inspectors.

Application for Unvented Gas Heater

Install unvented propane or gas fired space heater per 527 CMR 30.00. Carbon monoxide detectors shall be installed in room with heater. Heater shall not be installed in a bedroom or bathroom. Final approval by gas inspector required
