Voter Registration Information

You may register to vote in Massachusetts if:

- You are a citizen of the United States; and
- You will be at least 18 years of age on or before the next election; and
- You are a resident of Massachusetts; and
- You are not currently incarcerated by reason of a felony conviction.

If you meet the above requirements, you may register to vote online, by mail, or in-person.

The deadline to register to vote in any election or regular town meeting is twenty (20) days prior to the date of the election or meeting.

Registering online:

In order to register to vote online, you must have a signature on file with the Registry of Motor Vehicles. If you currently have a Massachusetts driver's license or state ID card, you may use the [online voter registration application](#) to register, update your address, or change your party affiliation. Voter registration forms submitted online must be submitted by midnight on the date of the voter registration deadline.

Massachusetts citizens who do not have identification issued by the Registry of Motor Vehicles can still complete an application online which they can print, sign and mail or hand-deliver to the Worcester Election Office.

Registering by mail:

Room 208, City Hall ■ 455 Main Street ■ Worcester, Massachusetts 01608-1889
Telephone (508) 799-1134 ■ Fax (508) 799-1137

If you do not qualify to register to vote online, or if you would prefer to register by mail, you may download a voter registration form from the city website. The form must be completed, signed, and delivered to the Worcester Election Office. Voter registration forms submitted by mail must be postmarked no later than the voter registration deadline.

Registering in-person:

If you would like to register in-person, you may do so at Room 208, Worcester City Hall.

Changing Your Address

You must update your voter registration every time you move. If you have moved, you may update your registration by filling out a new voter registration form. If you move after the deadline to register to vote in a state election or primary, you should wait to update your registration until after the date of the election or primary, and return to vote at your previous polling place in Massachusetts. State law allows you to vote from a previous address in a state election for up to six months after you have moved, as long as you have not registered elsewhere.

Political Parties

If you wish to change your party enrollment, you may do so by filling out a new voter registration form. Members of political parties may vote only in their own party's primary elections. Unenrolled voters (commonly referred to as "Independents" and members of political designations or minor parties may vote in the party primary of their choice. Choosing to vote in a particular party's primary does NOT enroll you as a member of that party.

What should I do if I registered to vote and I have not heard from my election official?

If you have NOT received confirmation of your voter status from the Worcester Election office within 2 or 3 weeks from the date you registered please contact us at (508) 799-1134.
