*No Public comment*

Upon a motion by Commissioner Kurtz and seconded by Commissioner Theerman, the Commission voted 4-0 to close the Public Hearing.

Upon a motion by Theerman and seconded by Commissioner Kurtz, the Commission voted 4-0 that proposed demolition for the repair of the dormers and dormer roofs is not detrimental to the historical and architectural resources of the City and voted to approve the Building Demolition Delay Waiver for that portion of the application.

Upon a motion by Commissioner Theerman and seconded by Commissioner Long, the Commission voted 4-0 that the proposed demolition concerning the brackets, which are to be removed, repaired, painted and replaced, and the removal of the old gutters and replacement with new gutters to the perimeter of the building, is not detrimental to the historical and architectural resources of the City and voted to approve the Building Demolition Delay Waiver for that portion of the application.

Upon a motion by Commissioner Theerman and seconded by Commissioner Kurtz, the Commission voted 0-4 that the proposed demolition concerning the repair of the mansard roof, the removal of the metal and replacing rotted wood and PVC, the installation of grace ice/water shielding, and the shingling of the entire roof with Everest Cobalt Black Architect Roof Shingle is not detrimental to the historical and architectural resources of the City and voted to approve the Building Demolition Delay Waiver for that portion of the application. The motion failed and the Commission considered economic hardship at the applicant’s request based on the economic figures the applicant had provided to the Commission.

Upon a motion by Commissioner Kurtz and seconded by Commissioner Bloom, the Commission voted 4-0 that based on the economics involved in the replacement of the roof at 26 Cedar Street that it would create an undue economic hardship on the applicant, and the economic hardship passed.
