Hearings:

Farid Khaledi & Attorney Brian Forts were present to respond to the violations.

Lt. Johnson presented the following:

On December 2, 2011, Officer Mark Jolin of the Worcester Police Department Alcohol Enforcement Unit was in an unmarked police cruiser when he heard a radio transmission from police officers at Club In Style that there was a fight at location.

Upon arrival at scene Officer Jolin observed it was chaotic and observed Officers Luis Baez and Robert Molinari with two separate males in custody on the sidewalk. The male Officer Molinari had in custody was thrashing wildly and attempting to kick his legs back and forth to either free himself from Officer Molinari or kick Officer Molinari. Officer Jolin came to assist Officer Molinari and to Officer Jolin the male appeared intoxicated. The male continued to try to kick his legs and twist his body while swearing at Officer Molinari and Officer Jolin. During this time Officer Jolin observed other fights and counted nineteen police officers attempting to gain control of the situation. Officer Jolin observed one male push Sergeant Donald Larange and it was later learned that the male who pushed Sergeant Larange was a bouncer from the Club In Style.

The non compliant male that Officer Molinari and Officer Jolin were dealing with was placed under arrest as he was visibly intoxicated.

A supplemental report from Officer Steven Hair stated that the male had jumped out of the wagon was acting irrational and that while the male was in the holding tank was yelling and banging his head on the window of the tank.
A total of four arrests were made that evening and three of the males arrested were under 21 years of age.

Officer Jolin’s report points out that during this incident three Worcester Police Officers were injured and two of them were taken by ambulance to the hospital.

Attorney Forts stated that establishment has been doing everything to prevent situations like this happening and hires off duty police officers.

Attorney Forts stated that the bouncer in question had just been hired and security procedures had been reviewed with him.

Attorney Forts stated that the establishment fired the bouncer that evening after incident happened.

Attorney Forts stated establishment would be willing to hire extra police detail if Commission deemed necessary.

Commission members reminded applicant that Commission members had allowed establishment to have 18+ nights several months ago but had warned applicant that the privilege could be taken away if any incidents happen at establishment.

Attorney Forts pointed out that there are several establishments in area that do not have condition on license relative being 21 years or older to enter and that if Club Instyle is not allowed to have any evenings 18+ they will lose business.

Attorney Forts suggested that Commission in lieu of taking away 18+ evenings implement a suspension on establishment.

Commissioner Mullan stated he is not of support of 18+ evenings but since incident did occur outside there is no way of knowing if all patrons were coming from Club Instyle.

Upon a roll call the Commission voted 3-0 that violation had occurred.

Upon a roll call the Commission voted 3-0 that Club Instyle will no longer be allowed 18+ on Friday evenings and that a one day suspension on a Saturday be imposed.
