New Business

3. 133 Granite Street (MBL 44-019-00001) (ZB-2019-008)

Special Permit: To allow multi-family low-rise structures in an RL-7 zone (Article IV, Section 2, Table 4.1, Residential Use #11)

Petitioner: Acquisition Trust, LLC

Present Use: Multiple buildings, used for religious and charitable uses, along with associated site improvements

Zone Designation: RL-7 (Residence, Limited) zoning district

Petition Purpose: To demolish the existing site improvements and construct four multi-family low-rise dwellings (total of 48 units), an associated driveway network, and related surface parking areas and to conduct related site work.

Public Hearing Deadline: 3/28/19

Constructive Grant Deadline: TBD

Kathy Garrahan and Mark Borenstein of Bowditch & Dewey, as well as representatives of Acquisition Trust LLC, appeared upon behalf of the application.

Mr. Garrahan reviewed the proposal, the history of the project, and responses to staff comments. Dave LaPointe from Beals and Thomas reviewed the stormwater management proposed for the site.

The Board requested that the applicant respond to staff comments noting that the proposal appears to eliminate an existing bus turn-around. Ms. Garrahan stated that the property owner is discussing a resolution with the WRTA.

Mr. Wanat asked if the applicant would be amenable to a condition requiring 25 percent of spaces in the lots be compact. Ms. Garrahan stated that they would prefer to work that through with the Planning Board, but will take the guidance of the Zoning Board on the matter.

The Board asked the applicant to discuss what measures were considered to reduce impervious areas (e.g. use of permeable pavers, a green or blue roof, etc.) and whether imperviousness areas be decreased to result in no net increase. Ms. Garrahan stated that they could review that item with the Planning Board.

Mr. Wanat stated that his concern was the termination of the sidewalk on Lot 4, Building D. Mr. LaPointe stated that the sidewalk is terminated at that point due to the requirements of the Massachusetts Architectural Board. Mr. Horne stated that the applicant may need to look into a variance if a ramp is needed.

Mr. Freilich asked the applicant to reviewing the phasing of the project. Ms. Garrahan reviewed phasing of the lots.

Phil Anas expressed concern about potential for increased traffic and congestion.

Mr. Rolle stated that the traffic study provided by the applicant showed that the level of traffic will be at an acceptable level.
James Morocco expressed concern about water runoff and presented photos of the water problem at the site. Mr. LaPointe reviewed the stormwater management design for the site and how it will reduce the amount of runoff.

The Board and staff reviewed lighting for the site.

Alternate Mr. Karlstad did not vote on item.

Upon a motion by Mr. Freilich and seconded by Mr. Berg Powers, the Board voted 5-0 to close the public hearing.

Upon a motion by Mr. Freilich and seconded by Mr. Berg Powers, the Board voted 5-0 to approve the Special Permit with conditions outlined in the staff memo, removing conditions 1a and 1g, and modifying condition 1b to extend the proposed sidewalk on Granite Street, following an alignment acceptable to the DPW&P, to the northerly side of the southern driveway.

Upon a motion by Mr. Freilich and seconded by Mr. Berg Powers, the Board voted 5-0 to approve the requested the waiver from the application requirement to label abutters and abutters thereto within 300 feet on the plan, and to accept the Findings of Fact as proposed by the applicant and modified by staff.
