**Item #8**  
**1061 Pleasant Street (MBL 25-007-00006) (ZB-2019-060)**

**Variance:** For relief from the minimum front-yard setback dimensional requirement (Article IV, Section 4, Table 4.2)

**Petitioner:** Ronnie Johnson

**Present Use:** Presently on the premises is a single-family detached dwelling with associated site improvements.

**Zone Designation:** RS-7 (Residence, Single Family) zoning district

**Petition Purpose:** The applicant seeks to construct a 24’ x 24’ driveway with a retaining wall and stairs, and conduct associated site work.

**Public Hearing Deadline:** 12/19/19  
**Constructive Grant Deadline:** 1/23/20

Ronnie Johnson, owner and applicant, presented testimony on behalf of the application.

The applicant seeks to construct a 24’ x 24’ driveway with a retaining wall and stairs. Mr. Johnson stated that the reason for the request is that his property currently does not have off-street parking, and his impression upon purchase of the property is that one could be installed, however, he was not aware a Variance would be needed.

The Board and the applicant reviewed how the driveway would be installed and where the retaining wall would be located.

A neighbor spoke on behalf of the application, raised questions about general visibility in the area.

Upon a motion by Mr. Freilich and seconded by Mr. Cortes, the Board voted 4-0 to close the public hearing.

**Upon a motion by Mr. Freilich and seconded by Mr. Cortes, the Board voted 4-0 to approve the Variance application for relief of 20 feet from the minimum 20 foot front-yard setback dimensional requirement; approved requested waivers (percentage of lot covered, distances to adjacent buildings, field verified property lines, to-scale plans, label zoning districts, required parking shown); approved with Conditions of Approval from staff memo (replace #1 with “dimensions for cut shall not exceed 24’ x 24’”).**

**Variance:** For relief from the minimum setback dimensional requirement for an accessory structure (Article IV, Section 8)

**Petitioner:** James Cleary

**Present Use:** Presently on the premises is an existing non-conforming, three-family detached dwelling with associated site improvements.

**Zone Designation:** RG-5 (Residence, General) zoning district

**Petition Purpose:** The applicant seeks retroactive relief associated with the construction of a shed.

**Public Hearing Deadline:** 12/19/19  
**Constructive Grant Deadline:** 1/23/20

Attorney Donald O’Neil, along with James Cleary, presented testimony on behalf of the application.

The applicant seeks retroactive relief associated with the construction of a shed.
Mr. O’Neil stated that his applicant was under the impression that a shed under 200 square feet did not require a building permit and was unaware he needed a Variance. He stated that the shed will only be used for the storage of tools.

Upon a motion by Mr. Freilich and seconded by Mr. Cortes, the Board voted 4-0 to close the public hearing.

**Upon a motion by Mr. Freilich and seconded by Mr. Cortes, the Board voted 4-0 to approve the Variance application for relief of 2.2 feet from the 5 foot minimum setback dimensional requirement for an accessory structure; approved requested waivers (percentage of lot covered, distances to adjacent buildings); approved with Conditions of Approval from staff memo.**

**26 Hancock Street (MBL 07-002-00012) (ZB-2019-056)**

**Variance:** For relief from the minimum lot area dimensional requirement (Article IV, Section 4, Table 4.2)

**Petitioner:** Thomas Ayers

**Present Use:** Presently on the premises is a vacant lot.

**Zone Designation:** RG-5 (Residence, General) zoning district

**Petition Purpose:** The applicant seeks to construct a single-family detached dwelling and conduct related site work.

**Public Hearing Deadline:** 12/7/19  
**Constructive Grant Deadline:** 1/11/20

Thomas Ayers, owner and applicant, presented testimony on behalf of the application. He stated he is seeking to construct a single-family detached dwelling on the vacant lot. At the meeting, the applicant submitted a rendering of the proposed home and an updated site plan.

An abutter to the subject property stated he was opposed to anything commercial going on the lot.

Upon a motion made by Mr. Berg Power and seconded by Mr. Karlstad, the Board voted 5-0 to close the public hearing.

**Upon a motion made by Mr. Freilich and seconded by Mr. Berg Powers, the Board voted 5-0 to approve the Variance application for relief of 110 SF from the 4,000 SF minimum lot area dimensional requirement; approved requested waivers (percentage of lot covered); approved Conditions of Approval from staff memo (submission of revised plans prior to issuance of Building Permit, re-charge 100% roof runoff, etc) & “any existing chain-link fencing on petitioner’s property shall be replaced with fencing of another variety).**

**Item #6**

**Variance:** For relief from the minimum parking requirements (Article IV, Section 7, Table 4.4)

**Petitioner:** Botany Bay Construction Co., Inc.

**Present Use:** Presently on the premises at 261 Clover Street is an existing, non-conforming vacant
commercial building, with associated surface parking, and at 219 James Street is a vacant lot.

Zone Designation: RG-5 (Residence, General) zoning district and partially within the floodplain overlay district

Petition Purpose: The applicant seeks to demolish the existing site improvements and construct 11 multi-family low-rise buildings (with a total of 90 dwelling units) with associated parking (+/- 131 spaces) and conduct related site work.

Public Hearing Deadline: 12/15/19 Constructive Grant Deadline: 1/19/20

Carl Hultgren of Quinn Engineering, appeared on behalf of the applicant, Botany Bay Construction Co., Inc., presented testimony on behalf of the application.

The applicant seeks to demolish the existing site improvements and construct 11 multi-family low-rise buildings (with a total of 90 dwelling units) with associated parking (+/- 131 spaces), and conduct associated site work. The applicant seeks a Variance for relief of 49 spaces from the minimum parking requirements for a multi-family low-rise in an RG-5 zone.

Mr. Hultgren stated that the property is owned by the City of Worcester. The Board asked that Mr. Hultgren review the pedestrian access, parking and lighting plan.

Craig Hayward of 18 Westward Drive, Auburn, MA asked if a traffic study had been done for this project. Mr. Hultgren stated that the City did not require a traffic study to be done.

Patty Murphy, 170 James Street, comments that proposed improvements for Clover Street will be great, but it may result in others using it as a cut-through street.

Esther Mwangi, 172 James Street, expressed concern that the proposed number of parking spaces would not be enough for the residential use.

Mr. Berg Powers commented that the City should work to create more affordable housing for the City’s residents.

Upon a motion made by Mr. Berg Power and seconded by Mr. Karlstad, the Board voted 5-0 to close the public hearing.

Upon a motion made by Mr. Freilich and seconded by Mr. Berg Powers, the Board voted 5-0 to approve the Variance application for relief of 49 spaces from the minimum parking requirements for a multi-family low-rise in an RG-5 zone; approved requested waivers (percentage of lot covered, distance to adjacent buildings and filing fee waiver); approved Conditions of Approval from staff memo.

Item #10 20 Alvarado Avenue (MBL 17-014-43+45) (ZB-2019-062)

Amendment to: Special Permit

To allow a single-family attached dwelling in an RL-7 Zone (Article IV, Section 2, Table 4.1, Residential Use #12)

Petitioner: Federal Square Properties, Inc.
Present Use: Presently located on the premises is a single-family attached dwelling (with a total of 4 dwelling units) under construction.
Zone Designation: RL-7 (Residence, Limited) zoning district
Petition Purpose: The applicant seeks to amend the previous approval (ZB-2018-018) in order to modify the site plans and architectural plans for the proposed structure.

Public Hearing Deadline: 12/29/19 Constructive Grant Deadline: TBD

Attorney Dale Kiley appeared upon behalf of the applicant, Federal Square Properties, Inc., James Soffan.

The applicant seeks to amend the previous approval (ZB-2018-018) in order to modify the site plans and architectural plans for the proposed structure.

Mr. Kiley gave a brief history of the ownership of the property and stated that a meeting was held with the abutters to review the scope of the plan.

Mr. Karlstad noted that the previously approved plans were for a staggered building façade, with the as-built foundation reflecting a straight façade.

Mr. Kelly stated that foundation permit was issued but an area inspector upon an inspection notices the foundation was different from the approved plans, so a cease and desist order was issued for the property.

Mr. Soffan stated his opinion that the changes were not substantial. Mr. Freilich asked if there was a way to modify the existing structure to meet the approved plan. Mr. Kelly stated that all the existing plumbing would have to be removed and other items may need to be changed.
Mr. Kiley stated that when Mr. Soffan took over ownership of the property, he did not review video from original ZBA hearings, and did not realize setbacks were an issue. Mr. Freilich pointed out that the approved building plans would have shown what was expected to be built.

Jess Andrews read a prepared statement from Paul Lano, an abutter to the property, expressing concern that the current structure will change the neighborhood as what is being built is not what was originally proposed and this structure will affect the privacy and the value of his property.

Mr. Andrews stated that he is also an abutter to the property, and what is being proposed does not fit in with the character of the neighborhood.

Rena Florenzo expressed concern that the windows of the structure will face her home and she will have no privacy. She understands something has to be built there but does not want something so massive.

Michael Carmello stated that esthetically what is being proposed is not the original proposal and expressed concern about visitor parking.

Gary Marvin expressed concern about parking on the street.

Valerie McDonald stated that the roof proposed is vastly different from what was originally proposed, and stated she had concerns about the proposed windows and lack of parking in the winter.

Susan Anderson expressed concern about privacy of the neighbors if the proposed changes are allowed.

Ken Cassavant expressed concerns about the proposed esthetic of the building.

City Councilor Candy Mero-Carlson expressed concern that the developer of the property ignored all the regulations and original approved plans, and believes the developer should be required to build what was originally approved.

All the Board members expressed concern that what is being proposed is more of an intrusion into the neighborhood from what was originally planned.

Mr. Freilich discussed whether the applicant could come back with revised plans.

Mr. Kiley stated that they may consider withdrawing the application or continuing the item so they can revise the plans to closer reflect the original approved plans.

David Morrone stated that if the structure is going to remain as is who is going be responsible for the plowing of the site. Mr. Kelly stated that would be the responsibility of the property owner.

Mr. Karlstad made motion to close the public hearing and stated that the Board should close the public hearing and vote that the applicant should build what was originally proposed. No one seconded the motion.

Mr. Cortes stated that he would not be in favor of a continuance.

Mr. Kelly suggested that the applicant meet with him and Inspectional Services staff to review the plans to see if they can come up with a way to have the plans meet what was originally proposed.

Upon a motion by Mr. Berg Powers and seconded by Mr. Freilich, the Board voted 4-1 (with Mr. Karlstad voting against) to continue the Special Permit Amendment Application to the January 13, 2020 Zoning Board of Appeals meeting, and to extend the Constructive Grant Deadline to February 4, 2020.
