Petition Purpose: The applicant seeks to construct a single-family attached dwelling (with a total of 3 dwelling units), and to conduct associated site work.

Public Hearing Deadline: 4/6/2020 Constructive Grant Deadline: TBD

Attorney Donald O'Neil appeared on behalf of the applicant, Silver Tree Realty, LLC. The applicant seeks to construct a single-family attached dwelling (with a total of 3 dwelling units), and to conduct associated site work.
Mr. Wanat asks for clarification on the width of the proposed driveways and height of the proposed retaining walls. Andy Baum of Summit Engineering and Survey, Inc., reviews the specifications with the Board.

Mr. Karlstad asks if the units will be rentals or for sale. Mr. O’Neil states his expectation is they would be sold separately.

Kathy Dulude, Joe DiRobeto, and Diane and Stuart McCarthy stated their opposition to the application, raising concerns that the project was too big for the site, and that the proposed driveways would be detrimental to current safety concerns on Dominion Road.

Mr. Haddon asked the applicant if they considered rotating the structure and providing a parking area to reduce the number of curb cuts. Mr. Wanat stated that three units would be pushing it from a safety perspective.

Mr. O’Neil asks for a straw poll. Members in favor of the current project: Mr. Berg Powers and Mr. Cortes. Members opposed to the current project: Mr. Wanat, Mr. Karlstad, and Mr. Haddon.

Upon a motion made by Mr. Haddon and seconded by Mr. Berg Powers, the Board voted 5-0 to continue the Special Permit application to the May 11, 2020 Zoning Board of Appeals meeting and to extend the Constructive Grant Deadline to June 2, 2020.

Attorney Donald O’Neil appeared on behalf of the applicants, Michelle and David Hutchins. The applicant seeks to construct a single-family semi-detached (aka duplex) dwelling (with a total of 2 dwelling units), and conduct related site work. Mr. O’Neil notes that this is multi-family neighborhood and that a two-family would be more in character than a one-family dwelling.

Ms. Smith asks about the two proposed driveways, noting that if the proposed Zoning Amendment relative to Front-Yard Paving is passed, the applicant would need to return to the ZBA to get waivers for the driveways, as the amendment would render them non-compliant.

Mr. Haddon recommends the applicant continue the application in order to consider alternate configurations.

Upon a motion made by Mr. Haddon and seconded by Mr. Berg Powers, the Board voted 5-0 to continue the Variance application to the May 11, 2020 Zoning Board of Appeals meeting and to extend the Constructive Grant Deadline to June 2, 2020.
