Old Business – Public Hearings

1. 1193 (aka 1239) & 1243 (aka 1241) Millbury Street (MBL 31-003-00011, -00005) (ZB-2020-036)

Special Permit: To allow open lot storage of more than one (1) unregistered automobile in excess of seven (7) days (Article IV, Section 2, Table 4.1, General Use #13)

Special Permit: To allow open lot storage and/or salvage recycling operations (Article IV, Section 2, Table 4.1, Manufacturing Use #8)

Petitioner: Boakye Osei Bonsu

Present Use: At 1243 (aka 1241) Millbury Street are two buildings – a +/-1,319 SF commercial building, formerly used as convenience store, and a +/- 3,480 SF commercial building, formerly used for retail food sales – each with associated surface parking and at 1193 (aka 1239) Millbury Street is a parking lot used for open lot storage

Zone Designation: MG-1.0 (Manufacturing, General) zoning district and the Blackstone River Parkway Sign Overlay District (BSOD)

Petition Purpose: To allow open lot storage of vehicles on both lots, to convert the existing +/- 3,480 SF commercial building into a garage to be used for dismantling of vehicles.

Testimony Dates: 10/5/2020; 2/11/2021

Constructive Grant Deadline: TBD

Boakye Osei Bonsu participated remotely for the application.

Mr. Bonsu stated that he is looking to do automobile sales and dismantling, both of which involve open lot storage of vehicles. Proposed work includes converting the existing +/- 3,480 SF commercial building into a garage to be used for dismantling of vehicles and stated that this application has been before the Board for a long time.
Mr. Rolle reviewed the type of Special Permits and licenses the location currently has.

Joe Sansoucy, Building Inspector City of Worcester, stated that this location had a temporary Special Permit with similar conditions and from what he has heard from neighbors all the conditions have been violated and the owner is in violation of the setbacks and the property is currently in housing court with a cease and desist pending.

The Board asked for clarification of types of licenses that applicant currently had for the site. Mr. Rolle reviewed the Special Permits approved for the site and permits for the site. The Special Permit was only for a year and the applicant did not reapply and the Special Permit was only for automobile sales.

**Public Comment**

Richard Anderson, participating in person, stated that there are 50 to 60 vehicles in the fenced area and now containers are being brought in.

Gentleman (did not identify himself) from Deanglis Construction, participating in person. He stated that applicant is now selling food to go overseas and the owner has never sold one vehicle since the place has been in business.

Paul Green, participating in person, stated that oil is dripping from cars and it is a mess on that site and there has never been a car for sale on the site.

Monica St. Denis, participating remotely, stated that this site is an eyesore and you can smell the oils coming off the lot.

Jonathan Clark, participating remotely, stated that the applicant is also working on cars on the site.

Valerie Fleming, participating remotely, stated that she agrees with all the other people who have spoken and no cars have ever been sold from that site.

Bob Belsito, participating remotely, asked why since the city has cease on desist on property why is it still allowed to operate. Mr. Sansoucy stated that they are in operating in contempt of the court order.

Mr. Bonsu stated that some people are giving false testimony and that he doesn’t dismantle cars on the site.

Upon a motion by Mr. Karlstad and seconded by Mr. Berg Powers the Board voted 4-0 to close the Public Hearing.

Mr. Bonsu requested to withdraw the application.

Upon a motion by Mr. Karlstad and seconded by Mr. Berg Powers the Board voted 4-0 to allow for Leave to Withdraw for the Special Permits.

**Testimony Dates:** 7/19/2021  
**Constructive Grant Deadline:** 8/29/2021

David Sadowski, Richard Kubert and Wilbert DeLaRosa participated in person for the application.

Mr. Sadowski reviewed the changes made to the plans from the last meeting.

Ms. Molina Dumas reviewed the revised plans.

Wilbert DeLaRosa, participating in person, stated that he does not intend to enlarge the property.

**Public Comment**

August 9, 2021
Richard Fox, participating in person, expressed concern about the lack of parking for the project.

Leo Sullivan, participating in person, expressed concern about water runoff and concern that the home is going to be turned into a three family.

Stephen Fox, participating in person, read two letters, Angelia Valeski & Judith Warren speaking in opposition to the proposal and Mr. Fox also spoke in opposition to the proposal.

Sean Reidy, participating in person, expressed concern that property will become a three family and rather it be two family first and see how that goes first.

Joe Sancoucy, participating remotely, reviewed the work done in the basement and stated no work has been done to convert to a three family yet.

Richard Kubert, participating in person, stated that he was the general contractor and stated that the third unit will only be for a single person and applicant is using basement space for extra income so it be one person with one car.

Russell Hernandez, participating remotely, stated that he was the designer for the project and they will only be submitting plans if applicant is approved for the third unit.

Mr. Sadowski asked Mr. Wanat to review the proposed conditions for the site. Mr. Sadowski and Mr. DeLaRosa stated that they were fine with the conditions of approval suggested by staff and they would request the two waivers requested by staff.

The Special Permit to modify parking, loading requirements, dimensional requirements, layout, and/or the number of required spaces and/or landscaping requirements (Article IV, Section 7, A. 2) was advertised erroneously and was withdrawn.

Upon a motion by Mr. Karlstad and seconded by Mr. Berg Powers the Board voted 5-0 to close the Public Hearing.

Upon a motion by Mr. Karlstad and seconded by Mr. Berg Powers the Board voted 5-0 to approve the Variance for frontage, the Special Permit for three-family use and Special Permit to modify parking/landscaping; approved with requested waivers; approved with Conditions of Approval from staff memo which includes submission of final revised plans prior to issuance of Building Permit (confirm grades, setbacks, egress points; denote existing/proposed vegetation; provide floor plans that demonstrate a shared means of egress); tandem parking shall be dedicated by unit; Variance applies specifically to use as proposed; parking and/or paved areas limited to those on the approved plan; and that the project be built in substantial accordance with the plans submitted.
