REPORT OF THE SUPERINTENDENT

THE PROPOSED HYBRID PLAN

Mayor Petty allowed comments from the following teachers and parents:

Catherine Ricci, Elena Cruz, Jacqueline Patron, Sara St. Peter, Kalli Hess, Maria Drury and Kristen Lee Camarra.

Superintendent Binienda presented the Worcester Public Schools’ Transition From Remote to Hybrid Learning Proposal. She began by stating that all plans, including start dates can be impacted by:

- building readiness
- changes in guidance from the State and
- COVID-19 protocols.

The Administration looked at and considered having preK-grade 1 fit into the November 16th and January 22nd model but was unable to make that happen. Students with the most complex disabilities will begin on Monday, November 16th. She went on to describe in detail all the color delineated schools, the number of students that will be transitioning to hybrid and days of the week for learning time. She also listed which staff members will be returning and outlined the tasks that were assigned and completed in order for the transition to hybrid to occur.

### Buildings Involved

- All School Buildings as ventilation upgrades are completed

### Staff Involved

- All School-based staff as ventilation upgrades are completed (staff will be given two weeks advance notice)
Mr. Allen provided an overview of both the building and transportation capacities.

Mayor Petty announced that the City has invested fifteen million dollars into city buildings to upgrade the HVAC systems in order to make sure the students and staff are safe. He asked if there was a schedule for the school readiness plan to which Mr. Allen explained that the plan is two-fold consisting of:

- building architects and mechanical engineering studies and
- Honeywell bi-polarization equipment installation.

Mr. Foley asked what the school day would potentially look like to which Superintendent Binienda replied that the Administration is working at the school level to work it out. Chapter 74 and ETA will be in one class for their ETA, then proceed to another area with their Chromebooks and headphones to resume their regular classes as if remote.
NOTES (continued)

Ms. McCullough inquired about purchasing a class live screen learning package to which Mrs. Kyriazis explained that the cost for that kind of equipment would be an expensive undertaking. Ms. McCullough also stated that she has heard from a number of parents who wondered if it would help if they opted to drive their child/ren to school. Mr. Allen stated that it would have to be universally across all schools.

Mr. Monfredo made the following motion:

Request that the Administration, in January, consider allowing Prek-Grade 1 students back to school for more than one day a week.

On a voice vote, the motion was approved.

Ms. Novick stated her dislike of having to follow DESE guidelines in lieu of medical professionals. She asked the Administration for information on adding more staff for hybrid teaching to which Superintendent Binienda replied that without knowing the number of students who will be opting for hybrid learning, the number of new hires remains unknown.

Ms. Novick inquired about any additional information regarding the budget to which Mr. Allen replied that the Administration is drafting a memo to the School Committee but announced that the updated Governor's Budget reflected an $860,000 reduction because the district is one million dollars underfunded in Charter School reimbursement.

Superintendent Binienda stated that the SOA funding has been postponed for one year.

Ms. Novick made the following motions:

Request that the Administration forward letters to the Local and Federal Delegation in support of additional funding.

Request that the Administration provide, in a Friday letter, the number of positive cases reported and include a timeline for contact tracing.

On a voice vote, the motions were approved.

Mayor Petty asked if DESE is tracking the COVID cases within the public schools that are currently open.

Superintendent Binienda stated that DESE has a website which shows the number of cases that were reported. She also announced that a forum on the proposed hybrid plan will be taking place for Spanish speaking families.

On a roll call of 7-0, support for the Transition from Remote to Hybrid Learning Plan was approved.

GENERAL BUSINESS

.gb #0-286.2

Ms. Novick again asked the Administration to alert parents via social media to the time changes for Friday food pickup.

.gb #0-318

Ms. Novick requested that the response to the item be provided in a Friday letter.

.gb #0-320

Miss Biancheria requested that her name be added as a co-sponsor of the item.

.gb #0-324 through gb #0-327 were taken together

Due to the fact that there are ongoing discussions in Executive Session, Miss Biancheria stated that she wanted the bus employees to know that their voices are being heard.

On a roll call of 7-0, the items were referred to a future Executive Session.

On a roll call of 7-0, the meeting adjourned at 9:38 p.m.
