GENERAL BUSINESS

gb #1-121

Mayor Petty stated that in May 2018, he asked Dr. Pedraja and Ms. Marion to gather and analyze data from the Worcester Public Schools and other sources, to listen to the community and engage with other Worcester leaders and stakeholders in a productive citywide dialogue. Those findings and recommendations were provided by Dr. Luis Pedraja, President of Quinsigamond Community College and Mary Jo
Marion, Assistant Vice-President of Urban Studies and Latino Education at Worcester State University in the presentation.

Dr. Pedraja stated that over the course of the commission from Mayor Petty, there have been eleven meetings and four at-large community sessions. The data analyzed revealed that 43.1% of Worcester Public Schools’ students are Latinx and that there are significant barriers and equity issues. He provided recommendations for improvement which included rebuilding trust, transparency, equity, accountability and quality of life.

Ms. Marion stated that the Latinx community does not feel represented and would like to be seen and heard more. She recommended that there be no suspensions for students in grades K-3.

Dr. Pedraja stated that the report also recommended an equity audit of the WPS and would require that all WPS employees attend implicit bias training sessions. He also offered suggestions for curriculum changes and culturally responsive outreach.

In conclusion, Dr. Pedraja and Ms. Marion recommended that the Strategic Plan include an Equity Advisory Committee and that the WPS should implement a Comprehensive Sex Education curriculum.

Mr. Foley stated that he was happy to see the collaboration with community groups and families. He asked for the commission’s help in providing outreach to Latinx families regarding enrollment in pre-k and Head Start.

Mr. Monfredo suggested that the commission also seek assistance from parents to enroll their child(ren) in summer school programs and also would like to see Latinx college students be recruited for mentoring.

Ms. Novick asked that the Mayor forward this report to the City Council.

Jasmine Owusu, School Committee Student Representative, stated that she appreciated the report and felt that the information reflected what she and other students of color have experienced.

On a roll call of 7-0, the item was referred to the Standing Committee on Governance and Employee Issues and a copy of the report be sent to the City Manager and City Council.

REPORT OF THE SUPERINTENDENT

ROSS #1-7

Superintendent Binienda stated that the Rennie Center partnered with the WPS in the formulation of the Strategic Plan and was given the task of looking at data, working with and interviewing personnel regarding the progress being made on the Strategic Plan.
Annelise Eaton, Research Director at the Rennie Center for Education Research and Policy, presented a mid-point progress report focusing on three sections:

**Welcoming Schools**

This section focused on the climate of schools in order to make students and families feel welcome along with discipline and attendance. She indicated that attendance was better and there was a decline in punitive discipline rates, but there is still a significant racial gap.

**Academic Excellence**

This section focused on career exploration. The work with Innovation Pathways and AVID were presented as bright spots. Culturally Responsive Teaching and elementary math instruction were areas in need of continued growth.

**Culture of Innovation**

This section focused on evidence based best practices and support of school leaders. The Reggio Emilia early childhood opportunity in Head Start and ST Math were highlighted as positives. Aligning and adapting high quality curricula were areas that still need to be addressed.

Mr. Monfredo asked for an update on The Worcester Future Teachers Program.

Superintendent Binienda stated that she met with Worcester State University on continuing the Worcester Future Teachers Program. Due to COVID, there will be no summer program for WFT, so a two-day program will be held. There is a partnership agreement in progress with Generation Teach which would involve 250 WPS students next summer.

Mr. Monfredo suggested recruiting more Latinx students for the Generation Teach program and also would like to have them as mentors assigned to assist on the attendance issues facing Latinx students. He also suggested having businesses provide incentives and rewards to Latinx students to encourage greater attendance.

Mr. Foley requested that representatives from the Worcester Education Collaborative and the Worcester Research Bureau be present at the next update of the Strategic Plan in order to provide community perspective and feedback.

Ms. Novick stated that having a five-year Strategic Plan is no longer considered among best practices within other school districts. The district should be looking at building a culture within the schools that encourages students to stay and become teachers as well as enticing them to want to part of the WPS.

On a roll call of 7-0, the item was referred to the Standing Committee on Governance and Employee Issues.
Superintendent Binienda provided an update by stating that hybrid learning has been successful. More than seventy percent of students will be returning full time on May 3rd and she attributes that to the success of hybrid learning. She reported that there has been an increase in COVID cases from last week’s report.

Last week’s **staff** numbers  
10 (1 remote and 9 within buildings)  
15 quarantined  

This week’s **staff** numbers  
7 (all within buildings)  
13 quarantined  

Last week’s **student** numbers  
40 (13 remote and 27 within buildings)  
6 quarantined  

This week’s **student** numbers  
60 (25 remote and 35 within buildings)  
4 quarantined

Superintendent Binienda also provided information on hotpots that have been overheating. She provided the Verizon phone number to call (1-800-540-4263) regarding this issue and stated that the information will be posted on the website along with the CDC Guidelines for April school vacation travel.  

Ms. Novick asked whether Night Life programs will be happening this Spring. Superintendent Binienda stated that there are some limited programs that will be conducted virtually.

Ms. McCullough asked if there is plan to inform families about the process for returning to school fulltime. After much discussion, it was decided to hold a Public Forum on Tuesday, April 27th at 6:30 p.m.

On a roll call of 7-0, the item was held for updates.

**gb #1-7.1**  
Response of the Administration to the request to work with community clinical providers to provide additional in-school clinical services to students.  

Mrs. Clancey requested that the Administration continue to reach out to community partners in order to provide in-house counseling.

On a roll call of 7-0, the item was accepted and filed.
Response of the Administration to the request to provide an update on the Pre-K programs offered throughout the district for the 2021-22 school year and the community outreach planned for enrollment.

Mr. Monfredo requested that the Worcester Housing Authority be added to the list of community outreach partners.

Ms. Novick made the following motion:

Request that the Administration provide a report on the cost that would be incurred to convert the half day pre-k programs to full day.

On a collective roll call of 7-0, the motion was approved and the item was accepted and filed.

Response of the Administration to the request to provide an update on trainings for School Adjustment Counselors and Counselors prior to the reopening of schools.

Mrs. Clancey stated that some of the School Adjustment Counselors were looking for more support and additional training and were told it may not be possible due to budget constraints. She asked if the Administration has reached out to them for their input. Mrs. Mahoney stated that the district has been providing open house/office hours where staff discuss what they would like to see in the area of training.

Mrs. Clancey made the following motion:

Request that the Administration provide an update on the Bridge for Resilient Youth Program at Woodland Academy.

Ms. Novick asked to amend Mrs. Clancey’s motion by adding “prior to the Budget”.

On a collective roll call of 7-0, the item was and accepted and filed and the motion was approved as amended.

Ms. Novick stated that although the local aid agreement implements SOA at 1/6 of the goal rate rather than 1/7, it does not allow the district to use the higher 2019-20 enrollment.
Mr. Allen stated that the 1/6 provides a 2.1 million dollar increase in funding above what the Governor proposed. Overall, the WPS Budget goes up almost 2.2 million dollars more than what was being used from the Governor’s budget. It does not fund hold harmless enrollment, but 40 million dollars has been set aside statewide for a reserve fund for districts in November when enrollment numbers are known. The WPS Budget was reduced by 16.1 million dollars from the Budget that was passed last June and this House Budget increases it by 16.1 million dollars, but with cost increases and inflation, there will be a structural deficit. He stated that the Superintendent and the City Manager will be working on a multi-year plan combining ESSER funds with the FY22 Budget that will be presented as one comprehensive spending plan for FY22.

Ms. Novick stated that WPS will be dealing with a structural deficit in the first year of SOA implementation if the Legislature does not fix the hold harmless enrollment issue.

Ms. Novick made the following motions:

Request that the Administration strongly advocate within the next twenty-four hours to the Local Delegation that they put something into the House Budget that would actually do hold harmless enrollment.

Request that the Administration also forward letters to MASC, MASS, MASBO and MMA to get hold harmless enrollment into the House Budget.

A copy of the letter is as follows:

TO:
FROM: Helen A. Friel
DATE: April 16, 2021

At the School Committee Meeting that was held on Thursday, April 15, 2021, the following item was discussed:

To respond to the House Ways and Means proposed FY22 Budget.

Ms. Novick made the following motion:

Request that the School Committee urge (organization) to join in advocating now for enrollment hold harmless—using the higher of 2019 or 2020 enrollment by category—in the House budget.

If you have any questions, please feel free to contact this office.

HAF/ers
cc: Superintendent Binienda
On a roll call of 7-0, the motions were approved.

Mayor Petty suggested that the Administration solicit input from the community during the Budget decision process.

Mr. Monfredo requested that the members of the School Committee also place calls to the Local Delegation.

On a roll call of 7-0, the item was filed.

**STANDING COMMITTEE ON FINANCE AND OPERATIONS**

The Action Sheet for the Standing Committee on Finance and Operations is hereto annexed as Annex A and was approved as amended.

*gb #0-33*

Mr. Foley made the following motion:

Request that the Administration and School Committee work with the City Solicitor to produce a notice of Breach of Contract letter to be sent to Durham School Services highlighting the Breach of Contract reaffirming the Worcester Public Schools’ legal and financial rights and raising the imperative nature of the May 3, 2021 return to school and the need to have the full allotment of bus drivers in place by that time.

Mr. Allen offered potential options which included:
