ITEM: Mayor Petty (August 31, 2021)

To consider options, if necessary, to begin the process and engage with a search consultant to conduct a national search to recruit and hire a Superintendent of schools for the Worcester Public Schools with an effective start date of JULY 1, 2022. Prior to the commencement of the search process, the School Committee, in collaboration with the consultant, will develop and implement a comprehensive, inclusive, public process to solicit input from all members of the Worcester community regarding the needs of the district and the characteristics and skillsets required in the next Superintendent of schools.

PRIOR ACTION:

9-2-21 - Mayor Petty stated that Superintendent Binienda has been a dedicated public servant for 46 years and has done a wonderful job taking care of the students in the Worcester Public Schools. It was not an easy decision to make but the School Committee has voted not to renew her contract. He also stated that the search for a new Superintendent will be transparent, public and a nationwide one. In order to start the process, an RFP will need to be put in place in order for the School Committee members to vote on a search consultant at the next meeting of the School Committee. He further stated that an Ad Hoc Search Committee for the next Superintendent will be established with Ms. McCullough as the Chair person and Miss Biancheria and Ms. Novick as members. Mayor Petty requested that the School Committee develop a timeline for the selection of the next Superintendent of Schools.
PRIOR ACTION (continued)

9-2-21 - Ms. McCullough stated that the item on the agenda should not be seen
(continued) as a disapproval of Superintendent Binienda’s performance. She has been a dedicated and compassionate educator which has proven true in all of her evaluations. She also stated that she feels that it is the right decision for the district to start the search for a new Superintendent.

Mr. Monfredo stated that Superintendent Binienda deserves a one-year extension on her contract. She is committed to education, the community and has done an exemplary job leading the school district through the pandemic.

Mrs. Clancey stated that she feels that the school district needs to have a strong leadership team in place to move in a positive direction over the next several years. She would like to see the new Superintendent work with the School Committee to implement long-term goals for the district without further disruption and educational loss to the students.

Mr. Foley stated that he would like to see the new Superintendent bring together all members of the community to work in collaboration to improve academic achievement for all students. He also stated that the School Committee is looking for a leader who will be able to build a strong coalition across the community with a shared vision and responsibility for the success of all students. He suggested that the business community, parents, community leaders, colleges, universities and the faith community be included in the selection process.

Ms. Novick stated that MASC will not be able to respond to any Request for Proposals for the Superintendent search due to the fact that she is employed by them and it would be considered a conflict of interest. She stated that she would like the School Committee to conduct a fully comprehensive and inclusive public input process to include involvement of students, families and educators. She would like translators at all public input sessions which should be at different times, locations, handicapped accessible and possibly involve child care and public transportation, if needed.

Miss Biancheria stated that Superintendent Binienda has accomplished a lot as Superintendent of the Worcester Public Schools but believes it is time to pass the baton to the next superintendent.

Superintendent Binienda stated that she is honored to be the Superintendent of the Worcester Public Schools and is very proud of all her accomplishments. She is also proud of the staff and teachers in the system and would encourage them to aspire to be Superintendent. She also stated that she will continue to work with the School Committee to lead the school system through another challenging year.
