198. Petition of Councilor Tony Economou on behalf of the residents of Valley Hill Dr. request installation of rumble strips on the hill portions of Valley Hill Dr., in the interest of public safety.
#12n CC September 8, 2026

199. Petition of Councilor Jose A. Rivera on behalf of Rosemary McCarthy request the curbs at the intersection of Circuit Ave. East and Ferdinand St. be painted yellow.

#11f CC September 8, 2026

200. Order of Councilor Gary Rosen - Request Standing Committee on Traffic and Parking proactively hold one or more hearings to gauge public pro and con interest in having the City Council adopt legislation the state will likely pass allowing cities to install traffic speed cameras in school zones and on municipal streets. Said hearings should include discussion related to the regulation being tied to the legislature's $575 million economic development bill, as well as that it would allow for the installation of forty (40) speed cameras in the city, which would lead to fines for drivers exceeding posted speed limits by 11 mph up to one-hundred dollars ($100) per offense.
#13b CC August 18, 2026

201. Petition of Danica Rose request the recommissioning, disconnecting and permanent removal of Flock and Automated License Plate Readers (ALPRS) in the city.
#10r CC August 18, 2026

202. Petition of Councilor John P. Fresolo requests establishment of an overnight (10 p.m. to 7 a.m.) quiet zone at the railroad crossings at Blackstone River Rd. and McKeon Rd.
#8d CC July 21, 2026

203. Order of Councilor Tony Economou - Request Standing Committee on Public Works meet jointly with the Standing Committee on Traffic and Parking for the purpose of reviewing and discussing the city’s strategic pavement management plan. Further, request Commissioner of Public Works and Commissioner of Transportation and Mobility attend the joint committee meeting to present the city’s 2025 Pavement Management, prepared by Apex Companies, LLC and Cyvl.ai. (see attached).
#12m CC July 21, 2026

204. Petition of Michael Francis McElroy request lower Wheeler Ave. be reviewed for the installation of traffic calming measures, including speed humps.
#7o CC June 16, 2026

205. Petition of David Jaffe request installation of traffic calming measures within the Montvale Historic District neighborhood.
#7m CC May 19, 2026

206. Order of Councilor Jose A. Rivera - Request Standing Committee on Traffic and Parking hold a meeting to discuss best practices the city can use to guarantee traffic signage is finalized by City Council and installed in all proper locations in a timely and efficient manner, to better ensure safe and properly enforceable signage is installed throughout the roadways of the city.
#13l CC January 13, 2026
In Committee February 25, 2026 - Held

207. Petition of Brandon MacPhie request installation of traffic barriers/barricades in front of 1025 Millbury St.
#8hh CC July 15, 2025
In Committee March 18, 2026 - Held

208. Petition of Michael J. Grandone request the criteria and reasoning be defined and made public for speed hump installation to decide if previously installed speed humps are being placed for a legitimate reason.
#8l CC November 19, 2024
