Worcester Announces Permanent Winter Parking Ban in Effect Dec. 1 Through April 30

The City of Worcester announced Friday November 22, it's **Permanent Winter Parking Ban** will go into effect **Dec. 1, 2024**, and will remain through **April 30, 2025 (April 1 for residential streets)**. The Permanent Winter Parking Ban applies to emergency arteries, WRTA bus routes, and streets that are critical to the flow of traffic. There is no parking on one or both sides of the affected street between 2 a.m. and 6 a.m. nor any time a snow emergency is declared.

In addition to the Permanent Winter Parking Ban, a Declared Winter Parking Ban will go into effect on all other city streets whenever accumulating snow is forecast. When a declared ban is in effect, parking is allowed only on the odd-numbered side of other streets, unless posted otherwise, and municipal parking garages will be free to use until noted following the ban's lifting. Parking enforcement—including ticketing and towing—will be active during a Declared Ban, as adherence to parking bans is critical to allow municipal crews to keep roadways clear and safe.

Worcester 311 is the official source for up-to-date information on winter parking bans, parking regulations on your street, and snow complaints.

For the latest updates on winter parking bans:

- Sign up for [ALERTWorcester](#) and receive notifications to your phone or email
- Follow Worcester 311 on [Twitter \(X\)](#) and [Facebook](#)

Illegally parked vehicles are the biggest obstacle to effective snow removal efforts. Vehicles that violate the winter parking ban or otherwise hinder snow removal will be ticketed and towed at the owner's expense. Please support the municipality's efforts by parking your vehicle in conformance with the winter parking ban. Back to Announcements List

Winter Parking Rules

Winter parking bans on public streets fall under two categories, **PERMANENT** and **DECLARED**.

- **A PERMANENT BAN** remains in effect from December 1st through April 30th on Emergency Arteries, WRTA Bus Routes, and streets that are critical to the flow of traffic. There is no parking on one or both sides of the street between 2 a.m. and 6 a.m. and anytime a snow emergency is declared.
- **A DECLARED BAN** is put into effect on all remaining city streets whenever accumulating snow is forecast. When a Declared Ban is in effect, restrictions apply that typically allow parking on one side of the street.
