RFP 1001-27 ENGINEERING SERVICES – MILL ST/DTM

7/30/2026

Question # 1: Under Section III. Project Purpose, the RFP states that the project will “accommodate planned expansion of the park areas east of Coes Beach as generally depicted in previously prepared [Mills St] concept plans.” Is the design of the expanded park areas included in the scope of this project?

Answer # 1: No, the design of the expanded Coes Beach park is not included in this scope of services. The design will include design of transportation related elements at the edge of the area such as sidewalks, shared use path, etc. and the edge of roadway.
