Will the selected vendor be provided with access to student-level records to conduct impact analyses and teacher and principal email addresses to conduct surveys for the evaluation?

yes on all accounts

Which ESSER-funded initiatives will be included in this evaluation and how much ESSER funding has been allocated to each initiative for 2022-22 and is planned for 2022-23 and 2-23-24?

There will be a focus on the 20% of funds to address lost instructional time but this may not be the only area addressed by the evaluation.

Can the City of Worcester provide project descriptions of the ESSER-funded program activities that will be evaluated?

The Office of Research and Accountability in WPS will work with the vendor to gather information about the specific projects.

Proposers are requested to acknowledge and/or include this addendum with submission. All other terms, conditions and specifications remain unchanged.

Very truly yours,
