The consultants (i.e., “evaluators” or “evaluation firms”) will submit and execute an agreed upon evaluation plan to study and comply with federal and state ESSER III funding and reporting requirements in key areas such as the safe return to in-person instruction, mitigating lost instructional time, and implementation of academic and social-emotional interventions. The funds are to evaluate activities in these key areas beginning in school year 2021-2022 and continuing through 9/30/24. The selected evaluator (or evaluation firm) is expected to begin upon award confirmation.

## **II. SCOPE OF SERVICES**

The evaluator (or evaluation firm) retained through this request for proposals will be required to perform the following scope of services:

  - b. summer enrichment and afterschool programming;
  - c. student support activities including high school tutoring services;
  - d. MTSS efforts such as academic, social emotional, and behavioral and mental health supports and interventions;
  - e. professional development programs;
  - f. community programs and initiatives to support schools and students; and
  - g. maintaining safe in-person instruction including student and family COVID testing and mitigation response (e.g., Family Health COVID Testing Clinics).
2. Execute the approved evaluation plan on behalf of the District.
3. Jointly manage and provide ongoing progress updates to the District’s Office of Research and Accountability.
4. Produce findings that can be used to comply with US DOE and the state of Massachusetts ESSER reporting (i.e., sections of ESSER Recipient Data Collection Form) in key areas such as the safe return to in-person instruction, mitigating lost instructional time, and implementation of academic and social-emotional interventions.
5. Present findings and recommendations on where ESSER funds have been used to address student learning loss, SEL and any other programs directly impacted by the pandemic. Findings must include impact by demographic subgroups.

The expected timeline for this project is immediately through September 30, 2024.
