May 24, 2022

To All Bidders:

Subject: **Bid No. 7819-W2, EVSE Installation - Garages / S & R**

ADDENDUM NO. 1

To Whom It May Concern:

With reference to our bid request relative to the above subject, please refer to the changes/modifications/clarifications to the original bid request.

- **BID DUE DATE HAS BEEN EXTENDED TO WEDNESDAY, JUNE 8, 2022 AT 10:00 AM**

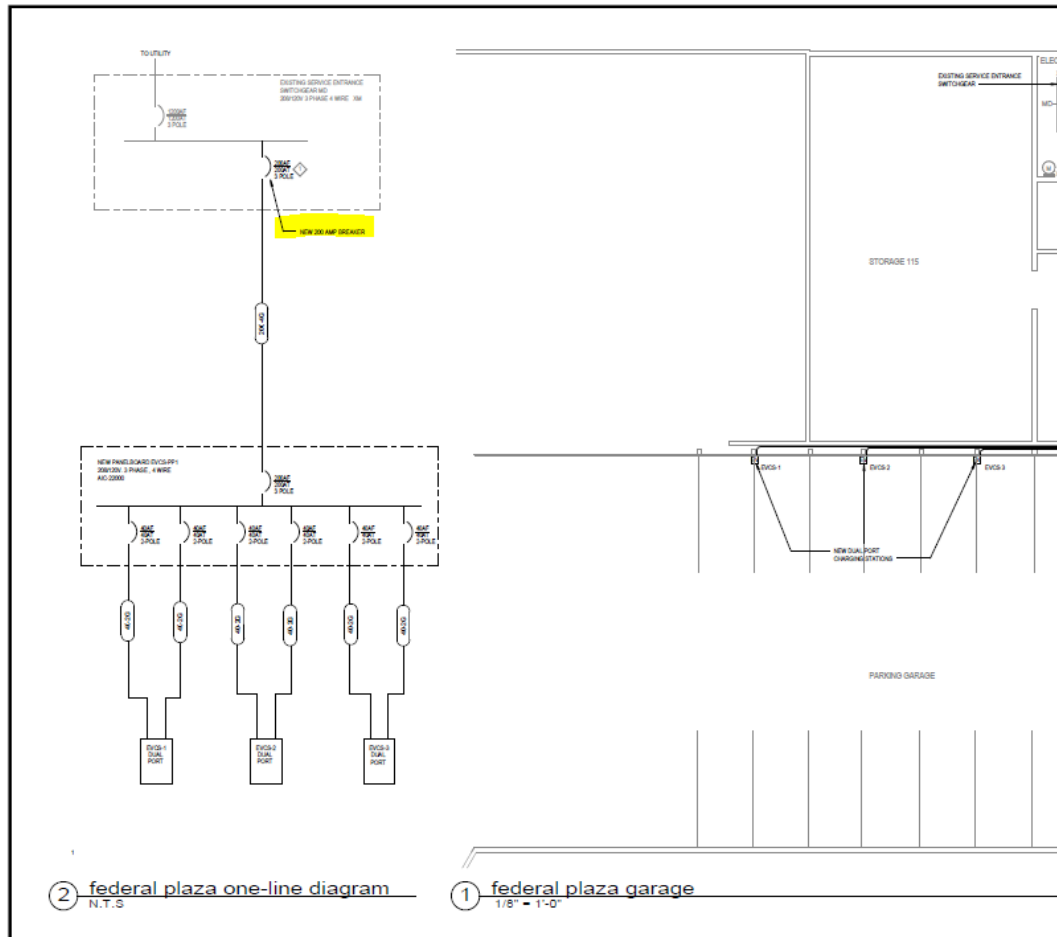

- 1) **Federal Plaza Municipal Parking Garage** – clarification on the proposed 200A frame location. A new 200 Amp Breaker will be required (see Electrical Plans and Specifications note on EP-105), by tapping into the busbar and installing a 200 Amp disconnect with an enclosed circuit breaker on the wall next to the switchgear. The new panel board would then be fed from the enclosed circuit breaker.
