No

Yes

7.) (PAGE 13) "...staff can report room status and missing students..." Are you needing updated roster/SIS integration for this RFP?

This is not required in the RFP but it certainly can be included in the proposal response.

8.) (PAGE 14) "...Principals can initiate a drill..." Do you need to be able to schedule drills? Do you want the solution to differentiate drill vs real event?

Yes, they can initiate a drill, and they should be able to schedule future drills and we need to differentiate from drill to real event.

9.) (PAGE 12). Would you prefer a solution which is not requiring 911 dispatchers to install software on work stations?

This is not required in the RFP but it certainly can be included in the proposal response.
