To All Bidders:

Subject: **Bid No. 8010-M3, AEDs/City**

ADDENDUM #1

To Whom It May Concern:

With reference to our bid request relative to the above subject, please refer to the changes/modifications/clarifications to the original proposal request.

- **See responses to vendor questions below:**

Q: How important is post code review to you?

A: This is not in the scope of work.

Q: Are you currently able to review post event data?

A: This is not in the scope of work.

Q: How important is continuity of care and being able to deliver escalating energy?

A: This is not in the scope of work.

Q: Is wifi capable asset management important in order to maintain all the devices?

A: This is not in the scope of work.

Q: Is geo tracking important in order to be notified if and when an AED goes into use?

A: This is not in the scope of work.

Q: Who will maintain the devices to ensure they are ready and working?

A: The City has a Contract with a Vendor who inspects all of the devices twice a year.

Q: How important is CPR rate and depth measurement?

A: This is not in the scope of work.

Q: How important is ease of use with this device?

A: This is not in the scope of work.

Bidders are requested to acknowledge and/or include this addendum with submission. All other terms, conditions and specifications remain unchanged.

Very truly yours,
Maureen McKeon
Assistant Purchasing Director
