To Whom It May Concern:

With reference to our proposal request relative to the above subject, please refer to the changes/modifications/clarifications to the original proposal request.

- **PROPOSAL DUE DATE EXTENDED TO FRIDAY, SEPTEMBER 29, 2023 AT 10:00 AM**
- **Please see below questions received and response from City:**

In the RFP it states that the site (the largest portion of it anyway) is in a BG 6.0 underlying zone but according to the zoning map as I see it (and also the ULI panel report), it appears to be in BG 2.0 not 6.0. Can you please clarify?

**Answer: Yes, the correct classification is BG-2.0. References to BG-6.0 are hereby deleted.**

Is there a survey of the property available or something of the like?

**Answer: No there is not a survey available**

Proposers are requested to acknowledge and/or include this addendum with submission. All other terms, conditions and specifications remain unchanged.

Very truly yours,

Christopher J. Gagliastro  
Purchasing Director
