To All Proposers:

Subject: **RFP #: CR-8070-W4, Website Hosting & CMS Platform / WPS**

ADDENDUM NO. 1

To Whom It May Concern:

With reference to our proposal request relative to the above subject, please refer to the changes/modifications/clarifications to the original proposal request.

- **PLEASE SEE BELOW QUESTIONS RECEIVED AND RESPONSES FROM CITY**
- Do you have a budget or budget range you're looking to stay within?
Answer: We do not provide budget information with bids/RFP.
- Is there a preferred CMS for this project?
The district is not looking for an open source content management system such as WordPress. We are looking for a content management system that has been developed and is supported by the vendor.
- Can you clarify item 29 (as posted below), are we required to also develop a mobile app or will the site just need to be accessible through Mobile Devices?
Yes, required to develop a mobile app; not just a site that is accessible to mobile devices.

Proposers are requested to acknowledge and/or include this addendum with submission. All other terms, conditions and specifications remain unchanged.

Very truly yours,

Christopher J. Gagliastro
Purchasing Director
