To All Proposers:

Subject: **RFP #: CR-8070-W4, Website Hosting & CMS Platform / WPS**

ADDENDUM NO. 2

To Whom It May Concern:

With reference to our proposal request relative to the above subject, please refer to the changes/modifications/clarifications to the original proposal request.

- **PLEASE SEE BELOW QUESTIONS RECEIVED AND RESPONSES FROM CITY**
- We see that WPS currently has all schools with pages that are on your district website versus them having their own branded website. We would like to confirm if the district is seeking a solution where the district plus all campuses have a website?

Answer: Right now, every school has a page on the WPS website. As part of the new website, we will continue that practice.

Proposers are requested to acknowledge and/or include this addendum with submission. All other terms, conditions and specifications remain unchanged.

Very truly yours,

Christopher J. Gagliastro
Purchasing Director
